Whereas, ASUM Transportation is one of five ASUM Administrative Agencies that provide critical services to students:

Whereas, the ASUM Senate has an obligation to provide guidance to these agencies and see that they are managed efficiently;

Whereas, ASUM Transportation has a relatively large budget and its activities carry an increased liability;

Whereas, these characteristics necessitate a strong advisory board to oversee the agency;

Whereas, the Transportation Director is a full time classified position charged with executing the daily activities of the agency;

Whereas, all large projects of ASUM Transportation should be submitted to the Senate for approval, regardless of whether the committee voted unanimously to approve the project;

Therefore, Let It Be Resolved that the Bylaws of the Associated Students of The University of Montana be amended to read:

Section 16. Transportation Board:

The transportation Board shall be composed of no fewer than eight (8) voting members, of which three (3) will be members of the ASUM Senate, three four (3-4) and will be students-at-large, one (1) will be a resident life representative, and one (1) will be The ASUMOT Director shall serve as an ex-officio member of the board. E. Quorum shall consist of a simple majority of those members currently holding positions. This committee shall meet and have quorum two (2) times a month during the academic year.
F. Duties and functions of the Transportation Board include:
