Comments

The meeting adjourned at 7:37 p.m.

Carol Hayes
ASUM Office Manager
Resolution to Allow Pets at the University Villages
Craighead and Sisson University Villages

Whereas, no pets of any sort are allowed in the University Villages (UV);

Whereas, UV has never allowed pets and is phasing out students who wish to live within university housing and own a pet;

Whereas, this causes students to seek other housing outside the university, taking their money elsewhere;

Whereas, Elliot Village and Craighead and Sisson have not been updated in several decades, and pet allowance could be confined to these villages;

Whereas, ASUM believes that the Residence Life Office can, with a reasonable pet policy, accommodate students with pets at the Craighead and Sisson University Villages;

Whereas, signatures from students living in the Craighead and Sisson University Villages have been collected in support of allowing pets;

Whereas, pets could be confined to certain units to avoid pet allergies of present or future tenants;

Whereas, if UV was to allow tenants to own pets they would have to meet the specific requirements;

Whereas, the owner would be required to have character references for their pets;

Whereas, if the pet in question was a cat or dog, the owner would have to have it registered, immunized, and licensed;

Whereas, the tenant would have to pay a pet deposit and acquire renters insurance;

Whereas, a liability form would be signed by the tenant to prevent any lawsuits filed against The University of Montana;

Whereas, the weight restriction of all pets is 35 pounds, which is the standard weight set by many apartment complexes in Missoula;

Therefore, Let It Be Resolved, that the Associated Students of The University of Montana (ASUM) strongly encourage the Residence Life Office and the University Villages to reconsider the current pet policy and explore the possibility of allowing pets in facilities mentioned above. Recommend that Residence Life and UV reconsider the current pet policy;

Therefore, Let It Be Further Resolved, if tenants comply with the above said rules, that University Villages will begin to allow pets in Elliot Village, Craighead and Sisson;
