THAT:

Consistent with the provision of MCA 20-25-441 and 20-25-442, the Board of Regents of The Montana University System authorizes The University of Montana – Missoula to implement steps necessary to expand Washington-Grizzly Stadium on the Missoula Campus. Additionally, in support of a Resolution passed by the Associated Students of the University of Montana, the Board authorizes a five year only increase of $10 per semester in the Student Athletic Fee in return for which students will be permanently allocated an additional 750 seats in Washington-Grizzly Stadium. Project scope is to:

- Increase seating on the east side of the stadium by approximately 2000 seats

- Miscellaneous minor improvements

This project, at an estimated cost of $5,500,000, will be financed with revenues from the sale of tickets and concessions. The project financial plan is attached.

EXPLANATION:

Due to the sustained success of the UM football program, there is high demand for additional seating in Washington Grizzly Stadium.

As allowed in the state statutes referenced above, it is the intent of the University to transfer ownership of the stadium to the UM Foundation for the duration of the construction.

Adopted by Senate with unanimous consent 12-6-06
Resolution In Support of Washington-Grizzly Stadium Expansion
and Corresponding Fee Increase

Whereas, The University of Montana Department of Athletics has proposed an expansion of 2000 seats on the east side of Washington-Grizzly Stadium, to cost approximately $5 million;

Whereas, this project would begin construction after the Fall 2007 football season, to be completed for the Fall 2008 season;

Whereas, Athletics is fundraising from a variety of sources to keep the fee increase as small as possible;

Whereas, the Bookstore and University Dining Services will be making contributions to the project because of increased business they receive due to Athletics;

Whereas, Athletics is proposing a Student Athletics Fee increase of $10 per semester for fee-paying students, that will sunset in five years;

Whereas, the graduating class of Spring 2008 will not have to pay the fee because the project will not be completed for their use by the time they graduate;

Whereas, students will receive 750 of the 2000 new seats, or 37.5% of the expansion;

Whereas, the funds generated from the temporary student fee increase are estimated at $1.04 million, or 20.8% of the estimated total cost;

Whereas, the $4.00 ticket fee charged to students attending the games will terminate after the 2006 season as part of this arrangement;

Whereas, after this expansion is paid for, Athletics will be working towards becoming self-sustaining;

Therefore, Let It Be Resolved, that the Associated Students of The University of Montana (ASUM) stands in support of the proposed 2000 seat addition to Washington-Grizzly Stadium.

Let It Be Further Resolved, that ASUM approves a fee increase of $10 per semester, with the graduating class of 2008 not paying, to sunset in five years, in order to help fund the proposed expansion and increased student seating.
