President’s Report
a. Dave Forbes, Dean of The College of Health Professions and Biomedical Sciences, spoke about the college’s different schools and programs.

The Chair recognized the presence of Senators Kettering and Dempersmier.

b. Hunter thanked Senators Wilke, Zolnikov, Fennell, May, Haupt and Schembra for attending the MAS and Board of Regents meetings in Helena. Interviews were held for the student regent position, and three names were forwarded to Governor Schweitzer for consideration, our UM candidate among them. UM, MSU-Bozeman and MSU-Billings are all opposing HB228. MSU is supporting Transportation for America. It was disappointing that the session with the Regents was so short. The Regents are considering a tuition freeze, which the students feel is a bad idea for higher education, since there is a $10 million shortfall, and there won’t be additional monies available except for possible stimulus package money which will be used to cover the tuition freeze. A freeze might result in closed class sections, eliminate programs and decrease the number of adjunct faculty.

c. ASUM Lobbyist Hamilton is ill and has gone home for a short time. There was a hearing on SB228. HB323 and HB188 passed through the house.

d. The directorship position for the ASUM Off-Campus Renter Center has been advertised and will close April 4. The review of applicants will start April 7, followed by interviews and selection of a new director.
e. An article about our ASUM Advisor Garon Smith, was circulated (Exhibit A).
f. Hunter notified Senate about ASUM Accountant Marlene Hendrickson receiving the Outstanding Service to Students Award.

Vice President’s Report
a. There were no Committee Appointments/Removals.
b. Senator Brockman will represent ASUM on KBGA at 8:45 a.m. Thursday morning.
c. Senators are needed for UC tabling from 1-2 and 2-3 tomorrow.
d. Smillie encouraged Senators to look at the information she sent out about awards and to nominate some deserving student.
