Chair Jacobson called the meeting to order at 6:03 p.m. Present: President Helling, Vice President Jacobson, Business Manager Bennett; Senators Childers, Diaz, Fulton, Gauthier, Greer, Hamilton, Harrison, Henderson, Hess, Hunter, Leftridge (6:33), Morrison, K. Nalty, R. Nalty, Ness, Newman, Pappas, Schultz (6:05), Tabibnejad, and Tolton (6:05).

The minutes for March 21, 2006 were approved.

Public Comment
*John Pielat noted that many businesses on the UMoney program are not accessible, and that is also an important issue that ASUM should consider. *Chris Miller felt the proposed graduate student credit increase is inequitable and won't solve the perceived problem of graduates taking too long to complete their studies. *Casey Hogue, ASUM Business Manager candidate, expressed his opposition to the Election Committee decision regarding ASUM presidential candidate Jose Diaz. *ASUM Faculty Advisor Chris Anderson spoke in favor of Cutbank funding, as it is a long-standing, important publication associated with the University.

The Chair recognized the presence of Senators Schultz and Tolton.

*Cedric Jacobson, ASUM presidential candidate, said that he and ASUM vice presidential candidate Ryan Nalty signed the Montana Code Annotated pledge, which he read to Senate.

President’s Report
(Helling noted there would be changes in her agenda - content and order.)
a. Ryan Hamilton, the unanimous selection for the UM Productions Director position, spoke about her interest and qualifications, after which she was approved for the position on a motion by Helling-Pappas by a 21-0 roll call vote (See Tally Sheet).
b. The student involved in The Pickel Barrel incident related what happened (through an interpreter), after which Senators asked questions. The Chair recognized the presence of Senator Leftridge.

c. SPA Director Gregory reported on various bills going through the legislature. Kera Melvin was appointed as student regent. That position has been limited to one year. There will be an end-of-session BBQ lunch on the Capitol lawn. Tony Brockman finished his work with the ASUM Lobbyist in Helena and is now helping in the ASUM office.
d. Elections Chair Gregory received a complaint from committee member Eric Schultz about presidential candidate Diaz’s banner. Schultz felt the Kappa Sigma (of which Diaz is a member) banner was holding a place for Diaz’s banner until campaigning started, a violation of ASUM Bylaws Article II, Section B. Diaz said he was not aware of the rule. Helling-Tabibnejad moved to uphold the Committee’s decision to confiscate the
A motion by Morrison-Tolton to amend the decision to a $15 fine failed 7-9-6 on a roll call vote (see Tally Sheet) after a previous question call by Gauthier. A motion by Hess-Morrison to reconsider the vote (due to a mis-vote) passed. Upon a revote, the $15 fine amendment failed 9-7-6 (see Tally Sheet), as it takes two-thirds to pass. After a previous question call by Schultz, the motion to uphold the banner decision passed 11-4-7 on a roll call vote (see Tally Sheet). A primary executive candidate forum will be held at noon Thursday. Chair Gregory reminded Senate that no campaigning is to be done in the office - meetings, use of computers (including laptops), etc.

d. Executive Vice President Foley wrote Helling saying that Coca Cola had notified the UN Secretary General that Coca Cola has joined the UN Global Compact.

e. Helling said that the SPA Director’s office and supplies are not to be used without permission. Supplies that are necessary for an employee to do their job are disappearing from several offices, which is unacceptable.

Vice President’s Report
a. The following committee appointment was approved: Relations and Affairs - Sean Schilke.
b. Senator Schultz will represent ASUM on KBGA Thursday at 8:30 a.m.
c. Senator Hess distributed a sign-up sheet for Senators to volunteer for Walk and Roll Week, an annual event of the Transportation Board.

Cohen as stating "Only one individual was involved, and as far as I'm concerned it happened three weeks ago and it's done and over;" Whereas, this statement is further evidence that Mr. Wills does not view these events as an important issue regarding the operation of his business;" and 30-33 "Let It Be Further Resolved that the ASUM encourages students to cease doing business with the Pickle Barrel until this issue has been resolved. ASUM Office Manager
Resolution Regarding The Pickle Barrel UMoney Vendors

Whereas, The University of Montana plays a prominent role in the community;

Whereas, UM students frequent many local businesses;

Whereas, UM students should not be discriminated against based on age, ethnicity, gender, race, religion, nationality, sexual orientation, or disability;

Whereas, a UM student felt discriminated against while trying to purchase food at The Pickle Barrel;

Whereas, without any apparent justifiable reason, the same UM student recently encountered refusal of service at The Pickle Barrel restaurant;

Whereas, an effort by University personnel to resolve the confrontation was unsuccessful, as they were also asked to leave the establishment;

Whereas, a failure of Pickle Barrel owner John Wills to discuss the possibility of mistaken identity, to open a dialogue regarding that issue, or apologize for a wrongdoing to the UM student is completely unacceptable;

Whereas, whether this is an issue of discrimination or not, the failure of a local business to work with students to resolve concerns regarding students is utterly contemptible;

Whereas, Mr. Wills has been quoted in a Missoulian article dated 4/4/07 by B. Cohen as stating “Only one individual was involved, and as far as I'm concerned it happened three weeks ago and it's done and over;”

Whereas, this statement is further evidence that Mr. Wills does not view these events as an important issue regarding the operation of his business;

Whereas, The Pickle Barrel utilizes UMoney through the Griz Card system;

Whereas, any off-campus entity benefiting from University infrastructure should treat all students fairly;

Therefore, Let It Be Resolved that the Associated Students of The University of Montana (ASUM) demand that The Pickle Barrel be removed as a UMoney vendor until they have formally apologized for their treatment of the UM student and for at least one year.

Let It Be Further Resolved that the ASUM encourages students to cease doing business with The Pickle Barrel until this issue has been resolved.

Let It Be Further Resolved that a copy of this resolution be sent to all involved parties.

Authored by: ASUM President Andrea Helling, ASUM Vice President Jacobson and Senator Eric Schultz
Resolution Thanking President Dennison and Executive Vice President Foley

Whereas, the Associated Students of The University of Montana Office of Transportation (ASUM OT) Park-N-Ride service started in 1999 as a demonstration and education project;

Whereas, the ASUM OT fee has always been held as low as possible to ensure student buy-in;

Whereas, limited funds required ASUM OT to purchase used equipment;

Whereas, used equipment costs more to maintain;

Whereas, ASUM Transportation has struggled to maintain accessibility on the Park-N-Ride and UDASH buses during this academic year;

Whereas, President Dennison and Executive Vice President Foley agreed to fund two major repairs costing nearly $15,000;

Therefore, Let It Be Resolved that the Associated Students of The University of Montana thank President Dennison and Executive Vice President Foley.

Authored by: ASUM President Andrea Helling

Passed with unanimous consent 4/4/07
Resolution Regarding CutBank Funding

Whereas, CutBank Literary Magazine is a longstanding production of The University of Montana;

Whereas, the CutBank production has become well-established in the world of Western Literature;

Whereas, CutBank enhances The University of Montana academic environment and lends prestige to our institution;

Whereas, for many years costs associated with production have been primarily funded by the Associated Students of The University of Montana (ASUM);

Whereas, ASUM allocated CutBank $1,000 during final budgeting;

Whereas, printing costs for one issue of CutBank exceeds $7,000.00;

Therefore, Let It Be Resolved that the ASUM encourage the U of M President’s Office, Provost’s Office, Division of Student Affairs, the College of Arts and Sciences, and the Department of English to provide financial support for the 2007-2008 Cutbank to ensure the continuation of this worthwhile endeavor.

Authored by President Andrea Helling and Vice President Cedric Jacobson

Passed 20-0 on a roll call vote 4/4/07
Resolution Opposing Rep. Rehberg’s Vote Against the Wellbeing of UM Student Soldiers

Whereas, The University of Montana is home to the ROTC-Army program, which allows students to train to become officers in the United States Army;

Whereas, the ROTC program requires that participants who receive scholarships serve in the United States Army following their graduation for three to four years;

Whereas, the ROTC program currently has approximately 80 participants, of which nearly 70% are currently enlisted and 25% have already been deployed;

Whereas, The University of Montana campus is home to one of the strongest and largest ROTC programs in the country, therefore meaning that our students make up a solid contingency of the Montana troops serving in the United States Army;

Whereas, a number of non-ROTC UM students enlist in various branches of the Armed Services at full and part time capacities;

Whereas, throughout the war in Iraq, Montana has made the highest troop contribution out of any state per capita;

Whereas, as ASUM Senators and Executives we value the lives and wellbeing of our fellow students and strive to make changes on and off campus to improve their lives;

Whereas, as of January 14, 2007, there have been 14 Montana soldiers killed in the war in Iraq;

Whereas, Iraq continues to be a dangerous area for our Montana troops with causalities nearly every day;

Whereas, Rep. Dennis Rehberg voted for an amendment to the bill asking for additional war funds that would strip language restricting the use of troops who are not properly trained or equipped with adequate body or vehicle armor;

Whereas, this vote shows a blatant disregard for the troops who are putting their lives on the line daily in Iraq and Afghanistan;

Whereas, ASUM recognizes that UM students are fighting in difficult conditions and should have all the training and tools necessary to keep them as safe as the possible in a war environment;

Therefore, Let It Be Resolved that ASUM strongly opposes Rep. Rehberg’s vote to send Montana student soldiers to war without proper training or equipment and urge him to vote in the future to keep our soldiers safe and adequately prepared for war.

Therefore, Let It Be Further Resolved that a copy of this resolution be sent to Rep. Rehberg’s Washington D.C. office.
