In all instances the ASUM shall be provided assurances that the limitations on partisan activities are being observed.
9.1.3 Notwithstanding any other provision of these Student Activity Fee funding guidelines, no student news, information, opinion, entertainment, academic or media communication shall solely be deemed ineligible for funding because of the ideas or viewpoints expressed or advocated by the recognized organization.

9.5 Allocation Figures. During the second academic week of the Spring Semester, the Business Manager and the Accountant shall determine the total allocation figures for the upcoming fiscal year. This shall be done by determining the actual activity fee income for the prior fiscal year and budgeting 100% of that amount as well as the balance in the Unused Allocation account. The Administrative Assessment and Special Allocation budgets must be included in this amount. These figures shall be forwarded to the President, the Board, and the Senate. Upon receipt of allocation figures, the Board shall develop preliminary Categorical Funding Percentages.

A majority vote of the Board shall be required to approve any Budget Request Form not initially approved by the Business Manager.

9.9 Executive Recommendation. The President, in consultation with the Vice President and Business Manager, shall propose a budget. The Senate Discretionary shall remain at a minimum level of two percent of the total allocation amount throughout the Executive Recommendation. Should the President choose an executive recommendation below the amount provided, the excess amount must be placed in the Senate Discretionary category. The President shall submit copies of the Executive Recommendation and an explanation thereof by Wednesday of the fourth academic week to the Senators. A copy shall be made available in the ASUM office for organizations to review.

9.10 Formal Lobbying. A minimum of three (3) formal lobbying sessions shall be scheduled in advance for the fifth academic week. Each organization shall schedule a ten (10) minute period to explain their budget request. The Business Manager shall schedule these appointments on a first come, first serve basis; however, each organization shall have the opportunity to schedule an appointment. Formal lobbying for any organization shall be limited to the scheduled appointment for that organization. Senate lobbying sessions shall be publicized during the fourth academic week. All Senators and Executives shall attend the formal lobbying sessions. Any Senator or Executive unable to attend must have prior written approval from the Vice-President. Unexcused absence from a lobbying session shall be considered equivalent to an unexcused absence from a Senate meeting.

9.11 Informal Lobbying. Not less than one (1) hour of informal lobbying shall occur after each night of Formal Lobbying.

9.12 The Order of Funding Categories. The order of discussion on categories for Final Budgeting shall be selected by lottery during the Business Manager's report no less than one (1) week prior to Final Budgeting.

At this time, Senators can request organizations to appear and justify their budgets and ask questions of their functions. Organizations cannot appear without being officially called by a Senator. Senate Call procedures shall be as follows:

9.13.1 Each Senator may call a maximum of two member organizations.

9.13.2 Each Senator has the right to the floor when his or her organization has been called.

9.13.3 Each organization called may answer a question from any Senator, but no lobbying shall be allowed.

9.13.4 No member organization may be called more than once during the Senate Call except by a two-thirds majority vote on a privileged motion, which shall not be debatable.

9.14 Final Budgeting. Final Budgeting shall occur by the weekend of the seventh academic week. The Senate may, by a simple majority vote, schedule Final Budgeting for more than one (1) day or on a Saturday. If this the former option is chosen, specific categories shall be scheduled for budgeting each day not less than one week prior to the first budgeting meeting.

9.14.1 Beginning Final Budgeting. Final Budgeting shall come under the Business

All motions to add or subtract funds from an organization shall be made into or out of this fund. No motion shall be made by the Senate to directly move any funds from one organization’s proposed budget to that of another. Two motions must be made: First, to place funds from an organization’s budget into the Senate Discretionary Account; and, second, to remove funds from the Discretionary Account into the proposed budget of an organization.
D. The Sports Organization Union and the Music Union shall be funded as a category, without regard to specific member organizations.
E. An unexcused absence by a Senator from final budgeting is automatic grounds for impeachment.

9.14.2 (NOTE: In ITEM 9.14.2 “Executives” excludes the Chair.) Amendments to the Executive Recommendation. Final Budgeting shall not be closed until the first round has been completed.
A. Discussion of categories shall follow the order selected by lottery as mentioned in 9.12.
B. Once a category has been opened, by a simple majority vote of the Senate, in the first round of discussion, every organization in that category will be recognized, in an order established by the Chair, for the proposal of amendments to the Executive Recommendation. The proposal of amendments shall be open to the Senators and Executives. During the first round of budgeting, budget line-items may be decreased by a simple majority vote and may only be increased by a four-fifths majority vote of the Senate.
C. Categorical Funding Percentages will not be adhered to during final budgeting.
D. All subsequent rotations shall follow the same procedure.
E. A category shall remain open for discussion until the end of the first rotation. The motion to end discussion on a category shall be passed by a two-thirds majority vote. Once the first round of discussion on a category has been closed, it shall not be reopened until all other categories have been closed for the first round of discussion.
F. If any funds remain in the Senate Discretionary Account after all the categories have been closed for the first round of discussion, a second lottery shall select the order of categories to be reopened for a second round of discussion. During the second round, budgets of organizations can only be increased. During the second round, budgets of organizations can only be decreased with a four-fifths majority vote of the Senate.
G. Once no funds remain in the Senate Discretionary Account and all categories have been closed for the first round of discussion, Final Budgeting shall be concluded by approval of the Executive Recommendation with amendments by a two-thirds majority vote.

9.14.3 Proposed organizational budgets for an upcoming fiscal year shall go into effect
when the Executive Recommendation is approved by a two-thirds majority vote of the Senate.

Any deficit remaining at the end of the new fiscal year will be deducted in full from the next Senate allocation.
