ASUM Office Manager
Resolution to Amend Election Bylaws

Whereas, political parties should not play an overwhelming role in student politics;

Whereas, the current Associated Students of The University of Montana (ASUM) Bylaws provide for political party slates;

Whereas, slates offer an inherent advantage to those on the slate;

Whereas, only candidates who organize slates are able to identify themselves with a party of the election ballot;

Whereas, candidates ought to be elected on the basis of their own merits, not the merit of a party;

Whereas, election bylaws will be improved by eliminating the language that provides for slates;

Therefore Let It Be Resolved That Article V Section 2 of the ASUM Bylaws be amended to read:

Section 1. Eligibility:
A. Members may seek office within these guidelines:
1. Any member as defined in Article I, Section 2 of the Constitution is eligible to run for any office.
2. A potential candidate must file a petition with the Elections Committee. Petitions are available from the Elections Committee and must consist of the signatures, printed names, ID numbers, and telephone numbers of at least 50 members registered during Spring Semester of the election. A student political party may present a slate of potential candidates for any or all elective positions upon petition of at least 50 students, registered during Spring Semester of the election, per potential candidate. The names of all potential candidates who are members of parties must be named on the petition for that party. Potential candidates for President must run with a potential candidate for Vice President as a single ticket, with a joint petition containing at least 100 signatures.
3. The names of all candidates shall be published in the Montana Kaimin immediately after the validation of petitions by the Elections Committee. The names of the winners of a primary election, if one is held, shall be published immediately following the election. Notices of special elections shall be conspicuously printed in the Montana Kaimin at least four times before the elections, including two issues immediately preceding the election.
4. Any member as defined in Article I, Section 2 of the Constitution is eligible to run as a write-in candidate. Write-in candidates shall not be printed on any ballot or participate in any ASUM-sponsored pre-election activities. Write-in candidates must adhere to the same campaigning and budget restrictions as recognized candidates. Write-in candidates need not be recognized by the Elections Committee.

Section 2. Campaigning:
A. Campaigning is defined as any activity which directly or indirectly promotes the candidacy of one or more individuals for an office. This includes, but is not necessarily limited to, scheduling appearances, the buying of votes with money, gifts, or alcohol, posting or publishing advertisements, distributing literature, or lobbying a voter.
B. No campaign materials may be displayed before the start of the campaigning period. Posting signs for place-holding before the start of campaigning is not permitted.
C. Campaigning through speech or signs within the immediate polling sites on the days of primary and general elections is not permitted. Posters must be removed on the floor level of the designated polling sites, including the atriums of the University Center. Failure to remove campaign materials from non-polling sites is not considered a violation.
D. The Elections Committee shall sponsor at least two forums: one for the Senate candidates, and one for the officer candidates, plus one Presidential-Vice Presidential debate following the primary, if there is one.
E. No door-to-door campaigning is permitted in the residence halls or family housing. Campaigning is permitted elsewhere on campus, including the Lodge and classrooms with permission of the professor.
F. Posters may be placed on campus according to these rules:
1. General Buildings: Only on appropriate posting areas.
2. Residence Halls: Only on appropriate bulletin boards or dorm doors and windows with the approval of the dorm resident. All posters must be approved by the residence hall office.
Resolution to Amend Bylaws Regarding Recognition Process

Whereas a new University policy has been implemented regarding off-campus accounts and greatly affects ASUM-recognized student organizations;

Whereas University entities may not legally have accounts outside The University of Montana when such accounts are held in University organizations’ names;

Whereas ASUM-recognized groups receive the benefits of being a University entity and should thus also accept the responsibilities of being such an entity;

Whereas ASUM-recognized groups use the name and reputation of The University of Montana and the ASUM, and any misconduct, including overdrafts on off-campus financial accounts, negatively impacts those names and reputations;

Whereas it is illegal to use The University of Montana’s tax identification number on off-campus accounts, and so students often put their social security numbers on off-campus accounts and are then held personally liable;

Whereas ASUM-recognized groups in the past have held funds in off-campus financial accounts without University consent, and it will be beneficial for the ASUM to know the full extent of any funds an ASUM-recognized student group has at its disposal;

Therefore Let It Be Resolved That Article IV, Section 4 of the Associated Students of The University of Montana Bylaws will read:

Section 4. Board on Member Organizations:
A. The Board shall be composed of five (5) members, of whom three (3) shall be members of the Senate and two (2) shall be students-at-large.
B. The Board on Member Organizations shall review all applications for groups and organizations that wish to register with ASUM and/or receive ASUM funding. Groups meeting recognition requirements will be forwarded to the ASUM Senate to be approved by a two-thirds (2/3) majority vote. This process shall occur after the second week of Fall Semester and continue throughout the school year. Recognition by ASUM will be valid, after recommendation by the Board on Member Organizations and subsequent two-thirds (2/3) vote of the ASUM Senate, until the beginning of the next Fall Semester. At that time, all groups must re-submit their recognition files to register with ASUM. Those groups, which were budgeted funds during the previous year, will continue to be allowed access to these funds during the recognition process unless their recognition is suspended or revoked. Any budgeted groups who do not re-register for ASUM recognition will not be allowed access to their ASUM account funds.
1. All groups requesting to participate in ASUM budgeting must return their fully completed recognition files to the Board on Member Organizations by the first Friday of Spring Semester to be considered for budgeting. Any group having discrepancies in their file that would prevent recognition must correct the problems completely before the third Friday of Spring Semester to still be eligible for ASUM budgeting.
2. All groups requesting to participate in ASUM budgeting are subject to The University of Montana’s Policy Regarding Off-Campus Accounts, unless otherwise required or authorized by law, or unless explicitly authorized in a written agreement between the organization and The University of Montana. No group violating the Policy Regarding Off-Campus Accounts will be allowed to register with ASUM or participate in ASUM budgeting, until that group is in compliance with the policy.
23. No group returning its recognition file after the first Friday of Spring Semester will be allowed to participate in ASUM budgeting that school year.
C. If the Board has evidence that a group has failed to comply with the stated criteria necessary for ASUM
recognition or has failed to meet all the responsibilities stipulated by ASUM, the Board has the option of sending a warning notice to the group specifying reasons for the warning and the corrective steps that must be taken within a period of no more than one month. The group shall have the opportunity within one week to have an informal hearing with the Board on Member Organizations. If the group fails to act, or the Board feels that the matter has not been resolved, the Board on Member Organizations shall have the option of issuing a second and final warning letter or recommending to the Senate that the group's recognition be revoked. The Board may choose to move directly to recommending to the Senate that the group's recognition be revoked without a warning letter if an infraction or negligence is viewed as substantial.

D. For any group whose registration is suspended or any group that is suspended, or any group that the Board has determined should have its recognition revoked, there shall be an appeals process. The process shall be as follows:
1. The group shall be given a hearing by the Board within one week of the notice of impending loss of ASUM recognition.
2. After the hearing, if the Board does not rescind its decision, the group may present its case to the Senate during the Vice President's report.
3. The Senate, by a two-thirds (2/3) majority vote, shall have the opportunity to overturn a Board's recommendation to remove group recognition.

E. The general policy of ASUM is to require membership lists of its recognized organizations to be available and open for inspection by the public. This policy is to promote openness and to ensure that recognized groups and organizations are composed of ASUM members. Since ASUM recognized groups and organizations receive access to various University facilities and have the ability to apply for ASUM funding, verification of membership for ASUM groups is required. Any group not providing a complete list of membership will not be recognized by ASUM.

F. Any group seeking ASUM recognition that desires the confidentiality of its membership must apply to the Board on Member Organizations for confidentiality approval. The application should contain an explanation of the purpose of the group and the need for confidentiality. If the Board on Member Organizations approve the request, the group must accomplish the following:
1. A copy of a membership list must be provided to the Board on Membership Chair. This list must be kept confidential by the Chair.
2. The Board on Membership Chair shall confirm with the Registrar the membership list is composed of at least 15 eligible members.

G. Presentation of a falsified list to an advisor or to the Board shall be grounds for removal or denial of ASUM recognition. Re-recognition may occur only on approval of the Board and upon such additional conditions that the Board may set.

H. A group containing non-members may achieve recognition so long as its total membership is at least 85% ASUM members.

I. Officers of organizations seeking ASUM recognition must be ASUM activity fee-paying students.
