Freshman camp in September on Flathead Lake brought new students a week of boating (and volleyball), sessions with student counselors, a first taste of 'college' and a chance to get acquainted.

Hellgate Canyon (US 10) as seen from Mt. Sentinel, is a well traveled valley in September as students arrive by train, bus, planes and cars for the school year.
From Freshman Camp to campus and the first busy week—Orientation Week. Freshmen take entrance exams, have a medical checkup, require information as to where and what, and are shown the campus and given aid by group leaders (Dick Austin and Marlys Nelson). At the same time upper classmen move in and greeks get ready for formal rush. And, of course the freshmen joined the Spurs and Bearpaws to paint the "M".
Homecoming Weekend brought many alums to see the game against New Mexico and to visit the campus. Living groups spent Friday night building floats, taking a break to attend the pep rally and the S.O.S. at which Mary Garrison was crowned Homecoming Queen. Saturday floats completed the parade was the largest and finest yet. The game was an upset and the victory bell rang for MSU.
Home football games always include these two events. Above the Kams and Dregs in full regalia and below the traditional line up as the Grizzlies come out on the field.
THE MSU - MSC GAME

Late in the season Grizzlies and supporters left by car and train for Bozeman and the 'big game'. Students on the special train laughed and danced it up. The game, hard fought, ended in disappointment for MSU—losing by one point. After the dance, provided by MSC, the special pulled out with its tired passengers.
Paul and Babe once again lead MSU students to the big social affair fall quarter—"The Foresters Ball". A full house watched the Foresters' Convo. Entertaining were the D.G. Can Can girls, the Jubileeer, the jug band, and skits aimed at lodge food, lawyers and cries of 'where's Bertha?' The dance was 'elegant' and ended with the traditional falling of blue snow.
As Christmas drew near the women's living groups caroled for the men and the School of Fine Arts presented the annual Christmas Convocation. These were welcomed breaks, as it is a time for review and projects hurriedly finished before fall finals.
And, so the sun sets on fall quarter and home for Christmas holidays with another quarter to our credit.

When Miss Platt retired from the University on April 9, the Board of Regents passed this resolution:

"RESOLVED, that upon the occasion of the retirement of Professor Anne C. Platt from the faculty of Montana State University, the State Board of Education, ex-officio Regents of the University of Montana, joins with students, alumnae, faculty, and friends across the state in expressing appreciation for her many years of tireless service to Montana State University, the region, and the nation during her thirty-nine years at the University.

Miss Platt’s standards, both personal and academic, have been a constant example to students and have contributed to the high standards maintained in the department. She will be particularly remembered for her close association with individual students, her sympathetic concern over their problems, and her continued interest in students long after they have left the campus.

Miss Platt has made an invaluable contribution to national, regional, and state organizations of nutritional and dietetic specialists where she has served on numerous committees, lectures, and held offices of responsibility and honor.

She was a charter member of the Montana Dietetics Association and has guided the development of this organization from its inception.

Outstanding in her many years of service on University Committees has been her tireless labor on the Commencement Committee, where she could always be counted upon to assume a major responsibility in smoothing the course of any official social function. Both the University, community and the state at large will be much the poorer for her retirement.

When Dean Williams retired from the University on April 9, the Board of Regents passed this resolution:

"RESOLVED, that upon the occasion of the retirement of Dean Ross A. Williams from the faculty of Montana State University, the State Board of Education, ex-officio Regents of the University of Montana, joins with students, alumni, faculty and friends in expressing appreciation of his loyal service to Montana State University. A graduate of the University’s School of Forestry in 1921, he pursued a career that included graduate work, assignments with the U.S. Forest Service, teaching, and 14 years as Regional Forester with the U.S. Soil Conservation Service. With this broad background he returned to Montana in 1949 as Dean of the School of Forestry and Director of the Forest Conservation and Experiment Station to devote his professional efforts toward improved education of forestry students as well as to problems associated with the state’s forestry industries. His faithful service to the University, and forestry education, combined with his advisory service to Montana relating to forest resources, has won him the respect and appreciation of his associates, and from all quarters of the state.
When Mrs. Berry retired from the University on April 9, the Board of Regents passed this resolution:

"RESOLVED, that upon the retirement of Mrs. Ruth Muirhead Berry as head resident of Elrod Hall, the State Board of Education recognizes her outstanding service to the University and the University and the hundreds of its men students who have been fortunate enough to have her counseling and care over the ten years she has served on the residence halls staff of Montana State University. Mrs. Berry made a way-of-life of her job, for her every waking moment was devoted to the interests and problems of her charges in Elrod or the problems of youth in general. Her great vitality which she retains even at retirement age gave her energy not only for the job of caring for 150 men students nine months out of the year, but to write three novels, all based upon problems of youth, their values and religion. For ten years, Mrs. Berry has been Elrod Hall, and she has made a permanent place for herself in the history and traditions of the University. Her presence will be greatly missed, as will her annual Autumn quarter report to the Dean of Students office: "Dean, this year I have the finest bunch of men ever in Elrod."

When Professor Freeman retired from the University on December 11, the Board of Regents passed this resolution:

"RESOLVED, that upon the occasion of Professor Edmund L. Freeman's retirement from Montana State University, the State Board of Education shares with student, faculty and friends throughout the state its appreciation of his long and courageous service. For more than forty years Professor Freeman, in his unfailing sense of what is owing to the life of literature and the humanities, taught with honesty and humility and love. To this his many students can give deep-felt testimony. For more than forty years he has helped shape, in his wisdom and concern for the dignity of teaching, those patterns of faculty government and duties which have aided immeasurably in the growth and dignity of the University. And for more than forty years he has shared with others the joy and the burden and the success of the labor movement in Montana. Always he has been the good teacher in the world as well as in the University, believing ever in the persistence and pertinence of literature to all that is alive in these most dangerous times. To have experienced Professor Freeman is to have experienced a University. To think that these marks of a man's goodness end with his retirement is impossible; our gratitude to him is but a small measure of our sense of this continuity, of the continuing effect of his courage and wisdom in the affairs of the University."
Olaf J. Bue

Olaf J. Bue, Professor in Journalism, passed away March 7, 1962. Professor Bue served on the journalism faculty at MSU from March 1943 until the time of his death.

IN MEMORIAM . . . . .
Forrest B. Cox, Head Basketball Coach and Assistant Professor of Health and Physical Education, passed away May 22, 1962. Mr. Cox joined the faculty of MSU in 1955.
Governor Donald G. Nutter

Governor Nutter was killed in an airplane crash near Wolf Creek Canyon on January 25, 1961. Governor Nutter is an Alumnus of M.S.U., receiving his LLB in Law in 1954.

W. P. Clark, retired faculty, died November 15th, 1961. Dr. Clark was Professor of Classical Languages, serving at the University from 1921 to 1952.

Flora B. Weisberg, retired faculty, died October 13th, 1961. Mrs. Weisberg was Professor of German, serving the University from 1920 to 1942.

Laurence Toner passed away July 7th, 1961. Mr. Toner served as Head Custodian of the University until his retirement in June 1961. He was dedicated to the University and served it for 38 years.
STUDENT GOVERNMENT

Dennis Adams - President
The governing body of the Associated Students of Montana State University is Central Board. Composed of elected representatives from each class, ASMSU officers, and faculty representatives, it supervises and co-ordinates all campus activities through various committees. Two big-name entertainers brought to the campus this year were Les Brown and His Band and the Limelighters. These committees bring lecture and film series as well as art exhibits to MSU; help finance MSU publicity; supervise traditions such as rallies, SOS (singing on the steps), and painting the "M"; and control the student publications Kaimin, Sentinel, Venture, and "M" Book. Extra-curricular activities and recreation are also sponsored such as bridge lessons, bowling parties, the Popcorn Ball, and the Quartet Contest. All students are encouraged to participate and be active in their student government.
After winning a close election, Denis Adams took on the duties of ASMSU President.

Ray Young handled the purse strings of ASMUS as Business Manager. This trying job is excellent on-the-job training for a future C.P.A.

John Carlson captured the position of Vice President of ASMSU.

Betty Leuthold as Secretary of ASMSU was kept busy keeping business straight.

Delegates from each of the women's living groups and officers elected from the campus women at large complete the board. This year in October MSU hosted the Convention which drew delegates from all the schools in Montana. Other activities sponsored by AWS this year include the Big-Little Sister Program, Winter Carnival, the Miss MSU Contest, a Christmas Benefit for Missoula children, and the Lantern Parade.

AWS SPONSORED OLD MAN WINTER . . .
The Miss MSU Pageant involves a great deal of work both by its director and the contestants. In the Spring 1962 elections Dave Hunt, a write-in candidate in the primary elections, gave Ed Whitelaw some competition with some very clever campaigning.

One can always tell when elections are rolling around by the campaign posters in the lodge.

ASMSU SPONSORS

The second annual presidential debates were held in the Lodge during the Spring 1962 elections. Shown left to right are Ed Whitelaw (victor), Dave Rianda, and David Hunt.
Election polls were in the Lodge, Liberal Arts Building and other buildings on campus. Elections Committee was in charge of all elections.

ASMSU sponsors several dances during the year. At the annual Popcorn Ball free cokes and popcorn are provided.

VARIOUS ACTIVITIES

Parents' Day is sponsored annually by the Public Relations Committee. SEATED, left to right: Mrs. Theodore Jacobs, Joe Reber (Chairman of Campus Visitations Committee), President H. K. Newburn, Theodore Jacobs (Chairman of the local executive board), Mrs. H. K. Newburn. Standing: The Rev. George Ferguson, Mrs. John Skalsky, Denis Adams, Sue Cadwell (Director of Parents Day), Jerry Agen, Carol Skalsky.
The Kaimin, with Frank Walsh as editor, continued to offer a complete coverage of campus, national, and international news. Some of the editorials and letters to the editor were controversial and always informative. The Kaimin serves as a daily contact between the student and campus activities especially.

The business side of the paper was handled by Marie Stephenson, business manager. She worked hard to please the advertisers and others with whom she was in contact. The Kaimin is published daily, Tuesday through Friday.
As associate editor Sam Donaldson "manned" the copy desk. Not shown is Printer Bowler who was also an associate editor and took over as editor the beginning of Spring quarter.

THE DAILY CONTACT

Jerry Holiday and the other two associate editors also, wrote columns and editorials, were in charge of reporters and copy editors and assisted and advised in staff policy.
TOM FLAHERTY as Sports Editor covered all Grizzly sports and the difficult job of reporting intramural sports which is a big daily job.

JUDY ROLLINS is a busy gal assigning new beats, getting stories, writing copy and editing copy.

Sam Donaldson and Judy check the Associated Press releases for material for the Daily Kaimin world news events section.
VENTURE

Venture Magazine edited by Patty Jo Shaw, is a literary magazine supported by Central Board. It supplied the student body at the end of each quarter with a variety of articles, short stories and poetry provided and written by students and faculty. Writing contests with award were offered, indicating how well organized Patty Jo is in managing and editing this exceptional magazine.
For a full year Editor Jim Weiler worked long and hard to put out a top edition of the Sentinel. The results are embodied in this book, a permanent record of campus happenings and events. Jim attempted to capture the mood of student life, both academic and social, as it has been this year.

THE SENTINEL STAFF

Herk demonstrates the "tool" editors of campus publications are often inclined to use—if available!
Business Manager, Larry Juefis kept the same position he handled last year. He worked many long and hard hours handling bids, contracts, the all important budget, mailing books and repeatedly asking publications for an assistant. Because of needed time for studies Shirley Palmer filled in for Larry for the conclusion of the year. Between the two of them they cut corners and managed to keep the Editor within his budget.
In charge of student government and fine arts, Bev Hughes, associate editor, attempted to co-ordinate committees and photographers.

... DEADLINE DILEMMA

Nancy Long, associate editor, worked hard to complete her Faculty, Administration and Class sections. She was assisted by Jean Nichols.
Bob Liffering took over the assignment of sports editor of the '62 Sentinel. Bob has been appointed as Associate Editor in 1963 and he and Jake Nelson will be the only members returning to the Sentinel staff.

Jim Weiler gives Associate Editor Sharon Maddox some suggestions and help for her section . . . this editor's job can't be so bad after all.

The annual job of recording the year's school activities in pictures and words takes many hours of planning, and this year because of enlarged enrollment continues growing.

Sharon Maddox was appointed fall quarters as an Associate Editor and assumed the Royalty, Living Groups and Greek sections of the yearbook.
Attending a staff meeting to discuss the plans for the '62 Sentinel are—SEATED: Bev Hughes, Cyrile Van Duser, advisor; Jim Weiler, Editor; Jarrel Horn, Assistant to the business manager. STANDING: Larry Steele, Sharon Maddox, Nancy Long and Bob Liffering.

Sentinel Advisor Cyrile Van Duser (pictured above) was always there with a friendly smile, priceless advice and guidance, and much assistance in the area of picture taking and dark room work. Cyrile served a busy year as Hometown News Service director.

Sentinel Photographers under the direction of Dale Graff, head photographer, are indispensible to the staff. As usual photographer troubles plagues harried staff members when either photographer, subjects, or both did not show up at scheduled times.

Executive counsel of Triangle includes: Lucky Ludwig, No. Corbin V.P.; Sandy Brown, Brantly V.P.; Sheryl Wright, Triangle Treas.; Stevoe Flink, Triangle Sec., and Bonnie Bowler, President.

TRIANGLE

Triangle serves as the governing body of the Freshmen Women's Dorms — Brantly, Corbin, and North Corbin. Socially the Triangle arranges the Peppermint Prince Ball fall quarter and other quarterly functions. This year Triangle and Craig Hall joined together for their spring function.

Miss Joan Hodgson
Head Counselor
Women's Residence Halls

Junior Sponsors who live in the freshman women's dorm to curb homesickness and provide needed advice and shoulders for crying were Kathy Johnson, Alice Curdy, Autumn Holtz, Karen Uphaw, Paty McClain, Barbara Boorman, Carol Nelson, Linda Kammerzell, Helen Dwelle, Joyce Christenson, Sandra Swank.
Necessary equipment for any dorm are the house mothers with their friendly smiles, pertinent advice, and able guidance. Mrs. Huff, Mrs. Moore, and Mrs. Beckwith.

Dee Segar receives aid for a weekend at home.

Bonnie Bowler presents Ed Lemp with a scroll after being crowned Peppermint Prince.

BRANTLY HALL

Brantly Hall this year received a face uplifting with a new entrance facing the clover bowl. Needless to say it prevented some of the congestion at the 1 p.m. rush. Brantly Hall serves as headquarters for the freshmen women’s residence.

BRANTLY OFFICERS

Sandy Brown—Vice-President
Pat Scott—AWS Representative
Bev Pfeifle—WRA Representative
Stephanie Swanberg—Social Chairman
CORBIN HALL

Corbin Hall was destined to go its own way this year as many of its members were upper classmen. Next year it will be vacated again to the freshmen as the girls will have a new dorm. Corbin did well in WRA activities again this year.

CORBIN OFFICERS

BACK ROW: Helen Dwelle—Junior Sponsor, Kris Welch—Social, Fran Hervol—Publicity, Kay Holloran—Treasurer. SEATED: Ann Martin—Vice President, Vicki Bernard—Secretary, Sharon Johnson—President, and Mrs. Huff—Head Resident.

The punch bowl is always a busy spot at a function. Here Corbin joins the Triangle for the Peppermint Prince Ball.
NORTH CORBIN

OFFICERS

Vice President: Luckie Ludwig
Social Chairman: Nancy Courtwright
WRA Representative: Colleen Adams
AWS Representative: Mary Lou Bieri

North Corbin is the youngest of the three dorms which comprise the Triangle. Having the disadvantage of no front door and serving as a thoroughfare between Brantly and Corbin, North Corbin seems to be headquarters for mischief.

These four pictures pretty well sum up the activities in the women's dorms.
CRAIG HALL

Executive Counsel for Craig Hall determines many of the policies of the dorm.
Sprawling over the area in back of the Lodge, Craig is the home of freshmen men, athletes, and any overflow from Elrod. The men of Craig are active socially, in intramural sports and the rush material for the greeks. The reason for a lack of identification on Craig Hall Officers is that they took their own pictures and failed to provide the sentinel with ID.

President—Ken Osher
Vice-President—Howard Heaton
Sec.-Treasurer—Keith Nichols

The highlight of Craig's year was the semi-formal Craig Hall-Triangle sponsored "Rhapsody In Blue" dance and buffet. Music was provided by the Bruce Davis Quintet from Hollywood.
These 16 men represent their wings at Craig Hall meeting and report its action to members of the dorm.

Room Jamming—how many are there? They are still happy so it must not be packed.

Craig took the honors at float building this year. "Day by Day at MSU" was the theme.
Directing the social life of Craig are the above men. They proved their talents by the success of the spring function.

Second place winners in the annual Quartet Contest—included Craig men Dave Stiles, Tim Aldrich, Don Sullivan and Ron Quilling.

Nice or not papers have to be turned in on time.

Directing the athletic in Craig were these men. Craig supported and manned many teams in intramural sports.

Sigma Nu's are forced to kick as the Clods win the intramural football title.
"The Visit" by Freidrich Duerrenmatt, was the major production fall quarter under the direction of Dr. Douglas Bankson. Richard James served as designer and Technical Director. For Miss Benton it won her the Masquer Best Actress Award. The plot concerned an incredibly wealthy lady's return to her economically troubled hometown after an absence of many years. The lady promises to aid the community, but on one condition: that the life of her lover of long ago, who caused her to be expelled from the town in disgrace, be taken.

Anton Schill (Alan Naslund) pleads with Claide Zachanassian (George Benton)—but to no avail.

The Montana Masquers for the first time presented a Children's Theater for the Missoula grade school children each Saturday morning for seven weeks. The play deals with an evil gnome, Rumpelstiltskin, who needs a king's baby to add to his magic formula to make his wishes come true. He spins straw into gold to get the baby but in the end he is foiled and everyone lives happily ever after. \textit{Rumpelstiltskin} was directed by Jerry Hopkins and was a great success!

Decentralized registration was the word for winter registration. Students planned schedules with their advisors prior to Christmas vacation and on registration day the advisers remained in their offices. Lines persisted because of bottlenecks, but it was speeded up somewhat.

More lines, time, and money were waiting down the hall in the bookstore. Jim Bartel and Mike Thomson check to make sure they have everything . . . hope they will not have to go through that cashier again.
The MSU Pageant under the direction of Louis Garcia, was entertaining, beautiful, and very professional. Long hours of work were required by all the participants. Runner-ups were Anne Erickson, and Kay Edwards, and Miss Congeniality went to Bernadette Burke. The contest itself will be entered into competition at the next Miss America Pageant.
On frosty day, cherished Main Hall takes on a new stately look.
Unusual weather conditions turn the campus grounds into a sheet of ice, which presented advantages and disadvantages. Many students found themselves in a similar situation to Sally Neath (above). Ed Proder, the 'one-man rescue team', seems to have solved the navigation problem. Below U Students donned the blades to take advantage of a rare skating opportunity.
LODGOLOGY

By far the most frequented place on campus is the lodge, particularly during the winter months. The cafeteria is a meeting place, a between class breaks for coffee, bridge, cokes, and study. Upstairs there is T.V., lounge chairs and complaints of the necking going on.
Winter Carnival was sponsored by AWS and was highly successful. Living groups were teamed up to work together on snow sculpture and chosing candidates for Old Man Winter. At the Winter Carnival Dance Gary Fish presents a plaque to Betty Scott (Turner Hall) for second place in snow sculpture and Tim Richman receive the trophy for the Delta Sig-Kappa Alpha Theta sculpture—"Three Pigs and the Big Bad Wolf". Printer Bowler, representing Corbin Hall was crowned Old Man Winter.
Parents Day was well attended this year with more than 400 parents and students attending the Banquet. Pictured above are Mrs. Jacobs, Joe Reber, Pres. Newburn, Theodore Jacobs, Mrs. Newburn. Standing: the Rev. George Ferguson, Mrs. John Skalsky, Denis Adams, Sue Cadwell (director of Parents Day), Jerry Agen and Carol Skalsky.

Dogpatch Dames went man hunting for the Sadie Hawkins dance which is sponsored annually by the Spur and Bear Paw service groups.
After registration, ski enthusiasts packed up their equipment and headed for Big Mountain and Ski Weekend. Although attendance was down, possibly because of extremely cold weather, the skiers and onlookers had a successful weekend.

Softball... winter and with snow shoes? Cold or not the Dendrology classes travel to the woods to study various species of trees. In order to get the foresters into shape for walking with snow shoes, a game of ball is played. That should be a riot!
Earlier in the yearbook you have seen the cartoon character—Herk, and possibly around campus. Creator of 'Herk' is Jane Nelson, art editor, who is a freshman at MSU. Herk has gained popularity this past year on campus—appearing on sweatshirts, posters, ski-jackets, and now as the little man around campus in the Sentinel.

Li'l bear Grizzle in diapers somehow wound up in Boseman. The picture was received from an unofficial MSC source—of course.

'Oh, for the life of a dog!' Pooch here waits for the boss in comfort in the lodge—rather than outside in the cold.
Pressure of studies, test, and finals keep student busy with the books, doing research in the library, and spending long hours on the studies.

Foreign Language student had an all new lab and equipment to work with this year with the opening of the new addition to the Liberal Arts building. Forestry students study specimens under the microscope.
AND SO ITS UP WITH MONTANA BOYS . . .

Basketball is king winter quarter, drawing large crowds of students and city names.
INTRAMURAL SPORTS

Intramural sports on campus falls under the jurisdiction of Ed Chinsky and Miss Brown. Over 2,000 students are involved in intramurals at one time or another during the school year. Winter quarter there is men's and women's basketball, volleyball, bowling, skiing, and table tennis.

Sigma Nu Fraternity captured the men's volleyball championship.

MARDI GRAS DANCE

Deanna Mencarelli and Wensel Brown reigned over the annual Mardi Gras held winter quarter. The dance is presented by the Newman Club with concessions being built by the living groups.
Big name entertainment this year included "The Limelighters" who packed the U theatre for two performances. Visiting Lectures committee arranged for many outstanding persons to speak at MSU—Ogden Nash, below, drew such a crowd that many had to be turned away.

Sinpkin's Hall, the home of drama for 30 years was bidden farewell during winter quarter, as it is being torn down. Conversion from dormitory into a theatre took place in 1926, and its last occupant was the School of Religion.
The new Health/Science Building burns the mid-night oil as students prepare for winter quarter finals.
DEDICATION...  

... In recognition of her years of service to 
Sentinel and the University, the staff is privileged 
to Dedicate this 1962 Sentinel to 
Cyrile Van Duser

Cyrile Van Duser has served as Sentinel advisor since 1945 and her advice and help is evident in every yearbook since then. Yearbook staffs can attest to the fact that wonderful Cyrile was always there with a friendly smile, priceless advice and guidance and much assistance in the area of picture taking and dark room work. The '62 Sentinel could not have been finished without her assistance. In addition to the Sentinel Cyrile is Hometown News Service director, which is a job in itself and finally, she is the University Photographer. On behalf of past editors, MSU students, and the administration I wish to say Thank You Cyrile... you are the greatest.

Ground was broken for what will be the new upper classwomen's dorm next fall quarters. The sketch of the new dorm is what will replace the confusion south of Turner Hall.

TURNER HALL

Turner Hall—the residence of upper-class non-sorority women students, had a busy year. Besides studies, social affairs, date and coffee hours the Turner girls won the WRA Volleyball and intramural Swimming championships.

Synadelphic provides an economical place for girls to live and also develops cooperation between the girls living and working together. They sponsor functions each quarter and participate in university activities. Mrs. Galt has been housemother since 1950.

TWO HEADS ARE BETTER ...
Craighead apartment, which are university owned, houses many married students on campus. This large colony of students can live in university housing, rent privately or as many do make payments on a trailerhouse.

Ever since Adam and Eve set up housekeeping in Eden, girls have been playing house and practicing for the day they can run just fast enough to get caught. By the freshman year in college their timing is getting accurate and before many summers are over, most have succeeded in getting their names changed.
Bryan River takes time out from studies to amuse his son.

While Bryan is at school Peaches, his wife, gets caught up on her sewing— as long as Jr. sits still.

The story is not one sided, however, for many men who have completed a year, more or less, of college are convinced that team work is the only solution to avoiding cafeteria meals, housekeeping, and lower grades because of misspelled words.

The team work solves anything (except finances) and together they scrimp and save, struggle and strain to get the very thing they gave up—a bachelor's degree.
"And are you going to go to the wives clubs meeting on Tuesday?"

"This sure is better than Lodge food," says Joanne River-Bryan little sister, who is there for dinner.

"Just in time to try some of my doughnut," says Bryan as the neighbors from next door drop in.

Crime and Punishment, adapted from Fyodor Dostoevsky's book by Raymond Bruce, senior in English, was the first student-written, full-length drama to be presented in more than ten years. Basically it is a story of a man who transgresses moral law for the good of humanity. The play was directed by Douglas Bankson with Richard and Sarah James as technical director and costume designer respectively.

Raymond Bruce, the author, explains the script to Jay Hopkins (Raskolnikov) and Jerry Hopkins (Svidrigailov).
HENRY IV, PART I

William Shakespeare and the MSU Drama Department united to bring the Masquers their biggest success, plus a state-wide tour. Henry IV, Part I, was under the direction of Firman H. Brown, Jr., chairman of the Drama Department. Richard and Sarah James did outstanding jobs with stage settings, lighting and costumes.

The plot involved an uprising against the king, lead by Hotspur, portrayed by Roger DeBourg. Equally outstanding was Jim Baker, in the role of Sir John Falstaff.

Toward the end of Winter Quarter, tryouts and rehearsals began on *The Rope Dancers*, a production conceived and planned by George Cussen. The play opened April fifth, under the direction of Douglas Bankson and technical direction of Richard James. The story deals with an Irish-American family living near the turn of the century. Lizzie Hyland, afflicted with a strange illness, is torn between her withdrawn mother and her warm-hearted father.

JUBILEERS

The Jubileers, "Montana's Finest Voices" gave several performances this year, including appearances at the Christmas Concert, the Night Club Show, Parents' Day and during Commencement Week. They also conducted a state-wide tour during Spring vacation.

**NITE CLUB DANCE**

On February second and third, the Music School presented its twenty-first annual Nite Club Dance, featuring many of the outstanding students on campus. This year’s dance had the theme "Stars in Space". Through funds brought in by the annual dances, more than two hundred students have received scholarships which include private music instruction without cost.

This year, students participating in the orchestra program at MSU were involved in the University Symphonette and the Missoula Civic Symphony, a community-University cooperative organization. They participated in six concerts: the Campus Concert, Feb. 13; Butte Concert, March 13; Civic Symphony Concerts of Dec. 3, March 4, April 29, and May 3; and in five performances of the All-School Show, Street Scene.

The students also became acquainted with a variety of music masterpieces and music of many types, besides the pieces programmed on concerts, in the "reading sessions" of the Symphonette.

Hockey at MSU is an auxiliary sport supported by some funds from ASMSU and the rest from the team members pockets. The team has worked hard to make Hockey a recognized sport at MSU—which is rather difficult because of no rink. It is made up of mainly Canadians who enjoy skating and who wish to demonstrate that hockey could be a big gate drawer as it is doing throughout the state. The team played this year in Great Falls, Butte, and Gonzaga in Spokane and did surprising in view of the fact that they had no place for practice as the ice rink was not in operation this year.

Spring weather brings the Grizzlies out of doors again, as well as the students, for the nicest quarter in school — everything is fresh and new, including subjects.

Photo by Frank and John Craighead.
Spring quarter opened with a visit from Senator Goldwater and Margaret Mead, sponsored by Visiting Lecturer Committee. Miss Mead packed the U. Theatre in the afternoon, and Sen. Goldwater drew over 6,000 that evening in the field house. Trouble was brewing by the visit—some Montana Democrats took up the chant... "a political rally".
What—no lines! One can assume the 'bottle-neckes' were ironed out as registration has never been so quick, smooth, and efficient.

REGISTRATION

Mr. Case seems to have lost his bird, as he showed up on the Oval to look things over early Sunday morning.
Pete Harkness, Paul Tag, and Chuck Underwood captured second in the National Sky-diving competition held in Boston.

'Broadway Melodies', under the direction of Louis Garcia was presented by the KKG Alumnae for support of the Opportunity School. University students made up the cast: LEFT TO RIGHT: Maria Volkel (Annie of 'Oklahoma'), Linda Mar Porter (Bloody Mary—So. Pacific), Joanna Lester and Children (Maria—Sound of Music), Diane Olson (Liza Doolittle—My Fair Lady), Ann Erickson (Maria—Westside Story), Carol Nelson (Ann—The King and I) and Patty Jo Shaw, mistress of ceremonies.

Jerry McGahan's pet eagle, whom he brought to college with him, was shot by mistake in Patty Canyon.

Pete Harkness, Paul Tag, and Chuck Underwood captured second in the National Sky-diving competition held in Boston.
"In spring a young man's fancy turns to..." The living groups move outside to soak up the sun, the lodge business hits a low level, classes move out under the trees, and the men have a more exciting past-time and notice the girls that never caught the eye before.

Terry Marks and Ed Prodor give up the books and take up the U's favorite past-time. The attractions are Colleen Van Horn and Karen Rush in new spring cottons.
MUSIC FESTIVAL

Spring quarter the U served as host to the state music meet. Thousands of students spent the weekend in competition and receiving ratings. Saturday evening the concert drew a full house and the combined groups thrilled the audience with "A Mighty Fortress".

WORLD'S FAIR OPENS

April 21st the world's fair opened in Seattle, which caused a number of students to quit school with hopes of getting work. For the rest of the students the fair had to wait until June.

MODEL UN

The picture at right (by Roger Zentes) was taken at the Montana Model UN early in the year at MSU. During spring quarter UN members representing Nationalist China, were off to San Diego for the Nationwide Model UN and was immediately challenged by Albania.
New buildings opened and construction forged ahead, while old WWII building were taken down. Old Jumbo Hall came down; Liberal Arts, Health Science, and the Law School open to business; the progress of the Women’s dorm pushed ahead with expected completion fall of ’63; below—temporary office buildings were sold and removed to be replaced by lawns.
Spring quarter is the time of year when scholarship is given its recognition. New Silent Sentinel members are chosen, Mortar Board members are shaken out of bed at 6:30, Tanan of Spur tapes new spurs, Matrix Table choses outstanding class women and honorarys and professional fraternities initiate new members.

Dr. Turner welcomes new members of Silent Sentinel

Matrix Tables honors Carol Cooper as the outstanding Senior, Betty Leuthold outstanding Junior, Joanne Hassing and Bonnie Bowler as sophomore and Freshmen outstanding women respectively.
When spring rolls around outdoor sports take over the long afternoons. Intermural wise, the clover bowl was busy everyday with softball games. Baseball and Tennis rules varsity athletics. At left Coach Ray Jenkins puts his football team in shape for the inter-varsity game.
Late in spring quarter MSU paused to sponsor interscholastics for Montana High School students. Huge crowds filled Dornblaser field for track events. Of special interest was Doug Brown, Red Lodge High School, who out ran both MSU and MSC milers with a time of 4:15. Other areas of competition include debate, oratory, art and drama. Phi Delta Theta won the Newman Songfest.
The second annual quartet contest was highly successful with honors in the women's division going to the Chansonnets of Sigma Kappa for the second year in a row. Members included Fay Gonsior, Carol Skalsky, Gail Clark and Marith McGinnis. In the men's division the Tau Tones of ATO captured 1st. Singing 'Down by the Riverside' are John Mears, Doug Manning, Dale Hullock, and Roger Letson.

Following spring elections new central board officers commenced work immediately under the president Ed Whitelaw, Dave Browman, Don Robinson, and Joanne Hassing. Central Board and the Kaiman pursued with concern 'the exodus' of faculty members, commencing finally with a convocation at which President Newburn discussed the problem and MSU's future.
Bonnie Jo Robbins and Jim Weiler donate blood at the three day blood drive. The drive was under the sponsorship of Sigma Kappa sorority.

"Broadway Showtime" as the title of the Aquamaid Pageant. 'Steam heat' from "Pajama Game" was performed by Stevie Johnson, Sara Black Burn, Faith Schwertfeeger, Kitty Van Vliet and Judy Thomas.
Spring quarter calls for boating, swimming and Greek weekends. The lakes around Missoula (Sealey and Flathead) make ideal locations.

Outstanding Students
While serving as associate editor on the yearbook staff and reviewing other yearbooks I have found that there is a lack of recognition to outstanding students. A University must build its athletic stars, have its queens, but its prime objective is to build scholars and advance higher education. With this idea in mind I decided, as editor, to incorporate a new section to give outstanding students and scholarship due recognition along with the fond memories of college which the Sentinel usually covers very thoroughly.

In an attempt to bring this recognition to outstanding students I asked the Department Heads to meet with their faculty members to pick the student whom they consider to be deserving of special honor in that department. Scholarship, leadership, and service are the three basic attributes considered by those selecting the students.

Credit must be shared with Cyrile Van Duser, Sentinel Advisor, for her encouragement and help, and to the "Yucca", No. Texas State College yearbook, for the idea of how to present such a section as this. My thanks to the faculty for their contributions.

One major function of a University is to do research in any number of fields and MSU is no exception. Listed below are the Research Grants which are in effect June 30, 1962. When one considers that the University received $170,000 for science institutes alone, a considerable amount of money is involved and the importance of research is indicated.

Sharon Cote demonstrates her new hearing aid which now enables her to hear. The smile is due to the $1,500 grant to the MSU Speech and Hearing Clinic by the Hellgate Elks Lodge. Pictured with Sharon are John Heinrich (Hellgate Elks Lodge), Donald O’Dell (doing the research for the clinic) and President Newburn.

MacLeish's Pulitzer Prize winning play, *J. B.*, directed by Daniel Witt of the Speech department was a combined project of the speech and drama departments. The contemporary play draws a parallel between a modern, successful businessman, J. B., and the Biblical character, Job. J. B.'s search, like Job's, was for the meaning of his afflictions. No scenery or costumes were used; the characters performed their parts as a reading with musical background.

Another school year has passed and once again we of the Sentinel Staff have endeavored to record this wonderful year in our college careers.

As with any project of this nature, the yearbook could not have been completed without many hours of work on the part of a great many people who gave of their time to complete it. Thanks are in order to Mr. Crowder for his advice; Cyrile Van Duser for advice, photo work, and for being a good listener; and many thanks to my capable staff. And, out of necessity apologies are in order also to those students whose names we have misspelled, who have wrong identifications, and for numerous unavoidable errors and mistakes.

My thanks to Robert Catlin for taking the class photos; and especially the pictures of the Royalty, the President and for having patience with myself and my staff.

For the two pictures of the grizzly bears, my thanks to Frank and John Craighead, Jr.

Colored pictures in the Sentinel are due to Cyrile, Ling Mark, Tim Richmond, Dale Graff, Ted Dickson, Doug Grim, and Jim Taylor.

Thanks are in order for many others who helped complete the book and if I fail to mention them here, forgive me. A special thanks to Joe Holly, for the major part of the photography printing, Sharon Blaszek, Cathy Van Aelstyn, and members of Delta Sigma Phi.

And finally—thanks to Yearbook House, of Kansas City, publishers of the 1962 Sentinel, for their help, advice, and patience to make the Sentinel a top notch yearbook and a memorial memory.

Sincerely,

Jim Weiler
Editor 1962

“Meet you in Seattle — at the great big World’s Fair” was the theme of students as school closed in 1962.
