The meeting adjourned at 9:35 p.m.

Carol Hayes
ASUM Office Manager
Resolution to Create the Relations and Affairs Committee

Whereas, the ASUM Relations and Affairs Committee and the University Affairs Committee have traditionally executed similar functions,

Whereas, in the past, there has often been confusion over which committee should handle certain matters and resolutions,

Whereas, combining the two committees would not produce any new strains on the committee process, as the volume that each committee handles on a weekly basis is not of a significant level to overwhelm a singular committee,

Whereas, in combining the two committees, certain matters can be clarified including eliminating needless language, and eliminating certain roles that are now executed by either different committees or the Vice President,

Whereas, reducing the number of committees promotes efficiency and reduces the burden of filling committees,

Therefore Let It Be Resolved that the Associated Students of the University of Montana (ASUM) amend Article IV, Section 2 of the ASUM By-Laws to read,

Section 2. ASUM Relations and Affairs Committee:
A. The ASUM Relations and Affairs Committee shall be composed of eleven (11) members, five six (56) of which shall be Senators. An ASUM Senator shall chair ASUM Affairs and Relations the Relations and Affairs Committee.

B. The ASUM Relations and Affairs Committee shall be responsible for recommending all changes to the ASUM Bylaws and ASUM Personnel Policy.

C. The ASUM Relations and Affairs Committee shall work on unbiased projects, ideas, or campaigns intended to increase student involvement in and student awareness of ASUM government in general or any particular issue(s) pertaining to ASUM.

D. The Relations and Affairs Committee shall be responsible for all activities occurring on the University of Montana campus that affect ASUM and students. These activities include, but are not limited to: auxiliary service fees and operations, campus development plans, campus security, environmental health, insurance, parking, university athletics, computer fees, academic issues, library operations, long-range building plans, international student affairs, student health service, drug and alcohol policy, and building and equipment fees.

B. The Relations and Affairs Committee shall be responsible for acting as a liaison between the Student Bargaining Representative (UTU Representative) and ASUM. The UTU Representative:
1. Shall be appointed by the President and approved by a two-thirds (2/3) majority vote of the Senate.
2. Shall be the student chosen to represent University of Montana students at Montana Faculty-Administration Collective Bargaining, as provided by Montana statute;
3. Shall preferably be a member of the University Affairs Committee;
4. The President may also appoint him/herself as the UTU Representative, subject to a two-thirds (2/3) majority vote of the Senate.

E. The Barbara Hollmann Administrator of the Year Award
1. At the last meeting of the outgoing ASUM Senate, this honor shall be presented to the recipient.
2. The recipient shall be chosen by the University Relations and Affairs Committee, through a nomination and discussion of potential recipients.
3. The recipient shall be judged on his/her ability to champion student issues, both behind closed doors and in the public.
4. The recipient must show a willingness to include students throughout the entire decision making process on campus-wide issues.
5. The recipient must also show a willingness to listen to students with the goal of understanding concerns.

6. The ASUM Relations and Affairs Committee shall enforce and oversee the execution of Article III, Section 2E and Section 2F of the ASUM Bylaws. Therefore, a motion passed by a two-thirds majority vote in the ASUM Relations and Affairs Committee can and will result in an unexcused absence for an ASUM Senator failing to accord with Article III, Section 2E or Section 2F of the ASUM Bylaws. Such decisions of the ASUM Relations and Affairs Committee may be repealed by a simple majority vote of the ASUM Senate.

The ASUM Relations and Affairs Committee shall also oversee the functions of the following ASUM executive agencies, in accordance with ASUM Personnel Policy:

1. UM Productions. The UM Productions Director shall be appointed by the President and approved by the Senate by a two-thirds (2/3) majority vote.
2. ASUM Legal Services - ASUM Relations and Affairs shall act as a board of directors to oversee the Legal Services Director and its program.
3. ASUM Administration
4. The Student Resolution Officer shall be appointed by the President and approved by a two-thirds majority vote of the Senate.

Student directors may be removed from office as stipulated by University of Montana policy and ASUM Personnel Policy.

And Let It Be Further Resolved that the ASUM amend Article IV, Section 11 of the ASUM By-Laws to read,

Section 11. University Affairs Committee:
A. The University Affairs Committee shall be composed of nine (9) members, of whom five (5) shall be members of the Senate, and four (4) shall be students at large. A Senator shall chair the Committee.
B. The Committee shall be responsible for all activities occurring on the University of Montana campus that affect ASUM and students, but that have not been specifically or expressly implied to be under the authority of another ASUM committee. These activities include, but are not limited to: auxiliary service fees and operations, campus development plans, campus security, environmental health, insurance, parking, university athletics, computer fees, academic issues, library operations, long-range building plans, international student affairs, student health service, drug and alcohol policy, and building and equipment fees.
C. The Committee shall be responsible for acting as a liaison between the Student Bargaining Representative (UTU Representative) and ASUM. The UTU Representative:
1. Shall be appointed by the President and approved by a two-thirds (2/3) majority vote of the Senate;
2. Shall be the student chosen to represent University of Montana students at Montana Faculty-Administration Collective Bargaining, as provided by Montana statute;
3. Shall preferably be a member of the University Affairs Committee;
4. The President may also appoint him/herself as the UTU Representative, subject to a two-thirds (2/3) majority vote of the Senate.
D. The Barbara Hollmann Administrator of the Year Award
1. At the last meeting of the outgoing ASUM Senate, this honor shall be presented to the recipient.
2. The recipient shall be chosen by the University Affairs Committee through a nomination and discussion of potential recipients.
3. The recipient shall be judged on his/her ability to champion student issues both behind closed doors and in the public.
4. The recipient must show a willingness to include students throughout the entire decision making process on campus-wide issues.
5. The recipient must also show a willingness to listen to students with the goal of understanding concerns.

And Let It Be Further Resolved that the ASUM agrees to the re-numbering of any subsequent sections within Article IV of the ASUM By-Laws affected by the above proposed changes.

Passed 11/10/04
Resolution Opposing An Optional System-Wide Grade Point Average

Whereas, Student Regent Kala French has introduced a proposal to the Montana Board of Regents calling for an optional system-wide grade point average (GPA);

Whereas, an optional system-wide GPA will allow students to manipulate their GPAs by choosing whether to transfer quality points from other Montana University System (MUS) schools and by choosing where to take classes that are offered on different campuses;

Whereas, other campuses within the MUS have different curricula, standards and accreditations than The University of Montana;

Whereas, an optional system-wide GPA would reduce the reputation for academic quality at The University of Montana to the least common denominator of the MUS;

Whereas, a strong reputation for quality education helps the students of The University of Montana, even if it results in them having a lower GPA;

Therefore Let It Be Resolved that the Associated Students of The University of Montana oppose an optional system-wide GPA for the Montana University System and ask the Montana Board of Regents to protect the academic quality of The University of Montana.
