Public Comment
* The president and secretary from the Mt. Sentinel Women’s Golf Association expressed their concern over the proposed development in the University Golf Course area. They would like to see the course and surrounding area remain the same until it is used for what they considered legitimate University purposes – student housing, academic buildings, etc.
* Advocates, American Humanics, Circle K and Model UN groups expressed the need for more travel funds if the extra money is allocated.
* Mary Beth Sampsel, a student-at-large member of UC Board, encouraged ASUM to support the UC fee increase.
* Sico Yao asked for ASUM support for a credit card presentation he would like to facilitate.
* Senator Healow (Election Committee chair), expressed the need for Election Committee members. He also asked for Senate input on Bylaw changes regarding elections.
* Senators were reminded that lobbying is next Tuesday-Friday from approximately 5-10 p.m. Absences may only be excused (or not) by Pavlish.

President’s Report
a. Senate applicants were interviewed for the two vacant positions. The nomination of John Dawson and Derek Duncan for the positions was approved on a motion by Price-Healow.
b. Dean Couture presided over the swearing-in of the two new senators.
c. Student Affairs Vice President Branch talked about mandatory fee increases, mostly due to salary and utility increases. Directors Dr. David Bell of Curry Health Center, Candy Holt of the University Center and Keith Glaes of Campus Recreation distributed packets with information and resolutions on their fees and provided background support for each. There will be an open forum Monday, February 28, in UC330-331, at which time there will be a power point presentation. Senators and other interested persons were encouraged to attend. The resolutions will be considered at the March 2, 2005, Senate meeting.
d. Price recognized students from the Dance Club, Woodmen’s Team and Graduate Student Association of Society and Conservation to make comments encouraging Senators to support their special allocation or travel requests, as they arrived late to the Senate meeting and missed public comment.
e. Price invited Senate to participate in Charter Day activities tomorrow, starting with an announcement and free cake in the University Center and continuing at 5 p.m. with a reception for award recipients.

The Chair recognized the presence of Clairmont.

Carol Hayes
ASUM Office Manager
Resolution to Amend Fiscal Policy, Section 9.0, Student Appropriations

Whereas, final budgeting has been conducted in a certain fashion in the past without enumerated rules for certain votes required of the Senate,

Whereas, clearly articulating votes required of the Senate lessens confusion over what votes are required for certain actions,

Therefore Let It Be Resolved that the Senate of the Associated Students of the University of Montana (ASUM) amend section 9.0 of the ASUM Fiscal Policy to read:

9.14 Final Budgeting. Final Budgeting shall occur by the weekend of the seventh academic week. The Senate may, by a simple majority vote, schedule Final Budgeting for more than one (1) day or on a Saturday. If the former option is chosen, specific categories shall be scheduled for budgeting each day not less than one week prior to the first budgeting meeting.

A. The order of the categories shall be written prominently at the front of the meeting area.
B. During the Final Budgeting Session, the Vice-President shall preside over the meeting. The Accountant and the Office Manager shall be present to record transactions of the meeting.
C. The total amount in the budgeted Senate Discretionary Account shall be prominently written in plain view of the meeting area. All motions to add or subtract funds from an organization shall be made into or out of this fund. No motion shall be made by the Senate to directly move any funds from one organization's proposed budget to that of another. Two motions must be made: First, to place funds from an organization's budget into the Senate Discretionary Account, and, second, to remove funds from the Discretionary Account into the proposed budget of an organization.
D. The Sports Organization Union and the Music Union shall be funded as a category, without regard to specific member organizations.

9.14.2 (NOTE: In ITEM 9.14.2 "Executives" excludes the Chair.) Amendments to the Executive Recommendation. Final Budgeting shall not be closed until the first round has been completed.
A. Discussion of categories shall follow the order selected by lottery as mentioned in 9.12.
B. Once a category has been opened, by a simple majority vote of the Senate, in the first round of discussion, every organization in that category will be recognized, in an order established by the Chair, for the proposal of amendments to the Executive Recommendation. The proposal of amendments shall be open to the Senators and Executives. During the first round of budgeting, budget line-items may be decreased by a simple majority and may only be increased by a four-fifths majority vote of the Senate.
C. Categorical Funding Percentages will not be adhered to during final budgeting.
D. All subsequent rotations shall follow the same procedure.
E. A category shall remain open for discussion until the end of the first rotation. The motion to end discussion on a category shall be passed by a two-thirds majority vote. Once the first round of discussion on a category has been closed, it shall not be reopened until all other categories have been closed for the first round of discussion.
F. If any funds remain in the Senate Discretionary Account after all the categories have been closed for the first round of discussion, a second lottery shall select the order of categories to be reopened for a second round of discussion. During the second round, budgets of organizations can only be increased with a four-fifths majority vote of the Senate.
G. Once no funds remain in the Senate Discretionary Account and all categories have been closed for the first round of discussion, Final Budgeting shall be concluded by approval of the Executive Recommendation with amendments by a two-thirds majority vote.

9.14.3 Proposed organizational budgets for an upcoming fiscal year shall go into effect when the Executive Recommendation is approved by a two-thirds majority vote of the Senate.

Passed 2/16/05
Resolution to Amend Fiscal Policy, Section 10.0

Whereas, as fiscal policy currently reads, a student group which goes into deficit after final budgeting may use up to $10,000 of the next fiscal year appropriation towards their group’s deficit reduction,

Whereas, this policy does not promote fiscal responsibility on the part of student groups,

Whereas, the $10,000 ceiling should be reduced to a much more reasonable level that would still provide an effective hedge to possible problems a student group may encounter,

Therefore Let It Be Resolved that the Associated Students of the University of Montana (ASUM) amend Fiscal Policy, Section 10.0 to read:

10.7 Any deficit incurred by any organization during a fiscal year shall automatically be deducted from the next fiscal year's budget allocation up to $10,000. A deficit exceeding $10,000 shall be handled by reducing the next fiscal year's allocation by $10,000 and then allowing the organization to repay the difference during the new fiscal year. Any deficit remaining at the end of the new fiscal year will be deducted in full from the next Senate allocation. It should be noted that "payment in full" could have the effect of actually closing down the entire organization.
