Resolution to Amend Fiscal Policy 9.14

Whereas, the ASUM Senate recently acknowledged the importance of final budgeting by changing House Rules to allow for impeachment of an unexcused absence at final budgeting;

Whereas, amending Fiscal Policy to reflect this change will reinforce the importance of final budgeting.

Therefore Let It Be Resolved that the Associated Students of the University of Montana (ASUM) amend Fiscal Policy 9.14 to read:

9.14 Final Budgeting. Final Budgeting shall occur by the weekend of the seventh academic week. The Senate may, by majority vote, schedule Final Budgeting for more than one (1) day or on a Saturday. If the former option is chosen, specific categories shall be scheduled for budgeting each day not less than one week prior to the first budgeting meeting.

A. The order of the categories shall be written prominently at the front of the meeting area.
B. During the Final Budgeting Session, the Vice-President shall preside over the meeting. The Accountant and the Office Manager shall be present to record transactions of the meeting.
C. The total amount in the budgeted Senate Discretionary Account shall be prominently written in plain view of the meeting area. All motions to add or subtract funds from an organization shall be made into or out of this fund. No motion shall be made by the Senate to directly move any funds from one organization's proposed budget to that of another. Two motions must be made: First, to place funds from an organization's budget into the Senate Discretionary Account, and, second, to remove funds from the Discretionary Account into the proposed budget of an organization.
D. The Sports Organization Union shall be funded as a category, without regard to specific member organizations.
E. An unexcused absence by a Senator from final budgeting is automatic grounds for impeachment.

Resolution to Include Office Hours in Attendance-based Honorarium Policy

Whereas, ASUM bylaws require Senators to hold one office hour each five-day week in the ASUM office;

Whereas, office hour requirements have not been fulfilled by all Senators in recent years;

Whereas, office hours are an effective way for Senators to stay in touch with their constituents;

Therefore Let It Be Resolved that ASUM Senators are also required to attend their weekly office hours in addition to attending Senate meetings and committee meetings to receive their $100-per-semester honorarium;

Let It Be Further Resolved that each unexcused absence from a Senator’s weekly office hours will result in a $25.00 deduction from the possible $100 honorarium to be monitored by the ASUM Vice President;

Let It Be Further Resolved that to avoid a $25.00 deduction for an unexcused absence, Senators must verify their attendance at an office hour with the ASUM Vice President;

Let It Be Further Resolved that the ASUM Vice President keep documentation of each Senator’s office hours.

Passed 4-13-05
SB60-04/05 Resolution to Suggest a Name Change for the Student Escort Service

Whereas, the words "escort service" have a popular connotation implying inappropriate conduct;

Whereas, The University of Montana Student Escort Service does not engage in the inappropriate conduct implied by its name;

Whereas, The University of Montana President George Dennison has requested a name change for the group;

Whereas, President Dennison has agreed to help fund a campaign distributing cards with phone numbers for The University of Montana Student Escort Service and other campus safety divisions to UM students and staff;

Whereas, a name change would be appropriate before such cards are printed;

Therefore Let It Be Resolved that the Associated Students of The University of Montana urge The University of Montana Student Escort Service to change its name to an appropriate name to be decided at a later date.

Passed 4-13-05
Resolution Requiring a 2.5 GPA for ASUM Involvement

Whereas, ASUM Senators and employees should be leaders outside, as well as inside the classroom.

Whereas, many ASUM Senators and employees are routinely absent from classes.

Whereas, some ASUM Senators and employees have grades that fall below the cumulative average student ≈ 2.6 GPA.

Whereas, good academic standing per the current requirement is only a 2.0 GPA.

Whereas, this low requirement for ASUM Senators and employees sets a poor example for other students on campus.

Whereas, a stronger grade requirement for ASUM involvement or employment will encourage Senators and employees to attend class regularly and produce in the classroom.

Therefore Let It Be Resolved that Article 7 section 1 of the ASUM Constitution be amended to require ASUM Senators, Executives, and employees to maintain a 2.5 cumulative GPA in order to continue their affiliation with ASUM.

Passed 4-13-05
Resolution Supporting Bi-Weekly Pay for Student Employees

Whereas, The University of Montana employs approximately 2,500 student employees in a variety of positions;

Whereas, currently student employees receive monthly paychecks from The University of Montana;

Whereas, monthly paychecks create unnecessary difficulties for students by extending their pay day periods;

Whereas, by paying students on a bi-weekly pay schedule The University of Montana would ease certain hardships for students;

Therefore Let It Be Resolved That we, the Associated Students of The University of Montana (ASUM), support the adoption of a bi-weekly pay schedule for students;

Therefore Let It Be Further Resolved that the ASUM Senate sends the following letter to Rob Gannon, the director of Human Resources.

Dear Rob Gannon:

Recently, the Associated Students of The University of Montana took up the issue of student pay checks by endorsing a bi-weekly pay schedule for students. The Senate does understand the complexities of bi-weekly pay for students and that it may not be implemented for two or more years.

However, we are concerned about the current pay-schedule because of the difficulties it creates for students with such lengthy pay periods. Many student employees currently have to do such things as borrow money to pay their rent and food. We believe that this is an unnecessary burden for students who are already very busy.

We understand that the University is currently switching from a paper to electronic pay process and that with the increased efficiency there will be an opportunity created to have student bi-weekly pay. Because of this, we respectfully request that students' needs be considered by implementing a bi-weekly pay schedule. This would benefit students in innumerable ways.

We thank you for your cooperation and look forward to a bi-weekly pay schedule.

Sincerely,

The Associated Students of The University of Montana
Resolution Thanking Mr. Richard Roehm for his service

Whereas, Mr. Roehm was appointed to the Montana Board of Regents and served a seven year term as a volunteer;

Whereas, Mr. Roehm has supported the MUS system to the benefit of both students and faculty;

Whereas, during Mr. Roehm's term he was an ardent supporter of student rights by advocating for such things as low tuition, low fees, and an easy transferability of credits;

Whereas, Mr. Roehm supported increased pay for faculty across the Montana University System (MUS);

Therefore Let It Be Resolved That we, the Senate of the Associated Students of The University of Montana (ASUM), thank former Regent Roehm for his dedicated years of service to the Board of Regents.
