a. SB73-03/04 Resolution Supporting Increase in Campus Building Fee and security Cameras (Exhibit A) was moved by Price-Healow. It was reiterated that last week the spelling of "building" was corrected, and "the outside of" was inserted before "campus dormitories" in the last paragraph. On a motion by Healow-Price, "numbers" was amended to "number" in the 6th whereas and adopted with unanimous consent. Price-Ziegler moved to strike "security cameras for the outside of campus dormitories" and replace it with "equipment to increase student safety on campus." Cederberg called the question, and the amendment passed. An amendment by Hogue-Morton to amend the last paragraph to read "Let it further be resolved that The Associated Students of The University of Montana support the campus building fee provided funds are used to purchase equipment to increase student safety on campus" failed after a previous question call by Hagen-Ziegler. After a previous question call by Price-Ziegler, the resolution passed as amended.

b. Resolution to amend committee section of Bylaws

**Comments**

Resolution Supporting Increase in Campus Building Fee and Security Cameras on Campus

Whereas campus administrators proposed an increase in the campus building fee to $5.00 per credit hour in January 2004;

Whereas an increase of this size would create "sticker shock" for UM students;

Whereas campus facilities remain in strong need of more funds for campus maintenance, classroom enhancement, and general upgrades;

Whereas The Montana University System (MUS) faces an uphill battle seeking funding simply for operations and maintenance from the legislature;

Whereas even if operations and maintenance funds are increased to the MUS, facilities upgrades will still be necessary;

Whereas UM students are concerned about the number of assaults reported on campus this Spring;

Whereas most of these incidents have been reported outside and near dormitories;

Therefore let it be resolved that The Associated Students of The University of Montana support an increase in the campus building fee from $2.55 per credit hour to $4.00 per credit hour.

Let it further be resolved that The Associated Students of The University of Montana support using campus building fee funds to purchase security cameras for the outside of campus dormitories equipment to increase student safety on campus.
