Public Comment

The Chair recognized the presence of Senator Brown.

- Galen Murray, Alpine Ski Team, spoke to the Senate in support of the $6 student fee to help with the $500 dues each team member has been paying.

The Chair recognized the presence of Senator Simpson.

- Anya Beaumont, Sport Club Union and Women’s Lacrosse, spoke in support of the student season pass as many of the members present at the meeting pay approximately $4400/year, especially in the equestrian and lacrosse teams.
- Megan Moberg, a lacrosse team member, stated that financial hardship often prevents girls from playing and if the team had more funding as a result of SB52, they could use it to help pay dues for an underprivileged girl to play.
- Amanda Argona, president of the Rowing Club, stated that the club is small, without a lot of funding, but that they recently cut their dues to get more recruitment. Their coach is a volunteer with no salary, and now that recruitment is up they are in need of more equipment to keep up with the demand. She supported SB52 and asked the Senate to pass it.
- Megan Oberweiser, from the Triathlon Team, supported SB52 to help all of the teams reach their goals.
- Julianna Jack, Global Grizzlies, asked the Senate to consider her group’s Special Allocation Request form to help fund their spring silent auction fundraiser on Friday, May 11. The request did not go through Board on Budget and Finance, so there was no official recommendation.

President’s Report
a. Mountainside Chat - Bill Johnston, Alumni Association Director, gave a report to the Senate of the Alumni Association’s progress and goals. The association represents 100,000 past students and has been working with President Gursky on strategic planning
to help current students as well. The Student Alumni Association has opened to help
current students get involved with former students.
b. President Gursky distributed an ASUM office remodel blueprint update (Exhibit A).
The KRELF proposal was turned in last Friday, and the University Center has given
ASUM $30,000 to help with construction costs. The projected start date is June 11-15,
2012.
c. Jacob Lutz, the board pick as the new Productions Director, answered questions along
with Marissa Grinestaff, the outgoing director. A motion by Williams, M.-Selph to
approve Jacob Lutz as Productions Director passed with unanimous consent on a motion
by Edmunds.

Vice President’s Report
a. VP Edmunds urged senators to complete their committee updates, along with any
advice for incoming senators, and email them to him before the end of the semester. He
emphasized that it was their responsibility to set a new precedent of passing down
knowledge from one Senate to the next to create a more seamless transition.
b. There will be a pizza party with President Engstrom on May 9 from 3:30-4:30 p.m. for
incoming and outgoing Senate members.
c. VP Edmunds asked the senators to continue raising awareness of elections and
galvanizing students to vote. He requested that some senators go to the College of
Technology to explain referenda and do class raps.
d. James Gibson, Assistant Athletic Director for Budget and Finance, worked on the
student season pass with VP Edmunds. The students came up with and presented the idea
to the board, and he helped facilitate it with The Source, Griz Tix, etc. Mr. Gibson also
explained the department’s need for a tutor to help their student-athletes meet the NCAA
requirements for academic progress, which have become stricter and punished more
harshly over recent years.
