President's Report
a. Childcare Director Marcia Ronck told Senators about the program and distributed individual sheets for their signatures, as the program’s Board of Directors. This signed statement verifies that they are not affiliated with any seriously deficient food programs.

b. Residence Life Director Ron Brunell informed Senate that he hopes a policy change to make all dorms smoke-free will be implemented late next spring or early fall. Smokers and non-smokers were included in the decision. Brunell would like to have Senate support for the action.

The Chair recognized Frisbee.

c. Neitzel has been asked to support (ASUM approval is not necessary unless the fee is being increased/decreased) spending of past year’s balance of Technology Fee funds. After checking IT’s priority list and speaking with Lodge and Library administration she feels comfortable with the decision to support monies going to a new Health Sciences lab, re-outfitting Social Science 423, Center for Student Success cable relocations, and bandwidth expansion for the Lodge and Library, among other items. Senate was not in opposition.

d. Neitzel encouraged Senators to attend the legislative forum tomorrow.

e. Neitzel reported on the adjunct situation and indicated that over $40,000 is needed for Math 117. Senate concurred that larger sections would be better than a large lecture group. Spanish classes previously capped at 35 students will increase to around 42. Due to student effort, departments are receiving specific funds through UM Foundation donations, though Math is not one of them.

f. Board of Regents will meet in Missoula November 16-17, with MAS meeting the evening of the 15th. Senators were encouraged to attend as many sessions as possible. Neitzel offered to write notes to professors for Senators in the event it is necessary to miss a class. However, she indicated that if she does this, attendance at the meetings is mandatory.

g. A Faculty Senate report was not made.

h. Several Senators volunteered to help Center for Leadership Development Coordinator Amy Gillespie with focus groups to increase participation in the program.

Vice President’s Report
a. Leadership Development Coordinator Amy Gillespie encouraged Senators to attend a leadership track retreat November 3-5 at Double Arrow Ranch at a cost of $20. Registration is due tomorrow.

c. A 5k Rock Creek Run, the proceeds of which will go to MontPIRG to oppose the Rock Creek mine near Noxon, will be held this Saturday at 10 on the Kim Williams Trail. Registration is at 9, with a suggested $5 donation.
d. There was no student fundraiser report.
e. See Billington for minutes from a meeting regarding adjuncts. There is a possibility of Communications classes being cut.
