President's Report

a. Neitzel thanked all who volunteered (over 50 individuals) their time election day. There were 871 persons who voted on campus, which exceeded by over 200 the record set two years ago.

b. Senators were encouraged to attend the Board of Regents meeting November 16 and 17, with the MAS meeting November 15, preceding or immediately following the Senate meeting.

c. The Campus Compact signing ceremony will be held at 11 a.m. the 17th. This document is a declaration of civic responsibility. Montana University presidents will sign, and Neitzel will respond for the students as to what it means to them.

d. Neitzel encouraged committee chairs to hold meetings on a regular basis, no matter whether there is a resolution to be considered or not. She encouraged the committee to initiate their own resolutions if an issue is important to them.

e. There was discussion on whether to release the letter and accompanying resolution sent to President Dennison and others to the media. A Senator will consult with Legal Services on the matter.

f. Neitzel asked Senate if they would be willing to suspend House Rules to consider SB17-00/01 Resolution to Encourage Boycott of Math 117, since it has not gone through committee. The consensus was against consideration, so Neitzel said she would not pursue it at this meeting.

Vice President's Report

a. Billington asked that committee minutes be given to him, as well as posted.

b. Next week's meeting (November 15) will be held at COT in AD04 - the same location as last time.

There will be a proposal for Senate consideration to add a loan program for students for this purpose.

Committee Reports

a. ASUM Affairs (Weber) - Tabling hours were discussed. More tabling will occur after Thanksgiving week.

b. UC Board (Pumphrey) - Dining Services Director LoParco explained why the plan to put an eating establishment in the space vacated by the bank was aborted. He said it would take too much money from the Bistro and the Food Court.

Instead, the committee will be working with Campus Recreation and Residence Life to promote the existing busses provided by the ski areas. Dornblaser paving on the north side is still being pursued, although President Dennison is not supportive.
