Public Comment Period

Dean of Students Hollmann spoke on fee increases. She emphasized that Auxiliary Student Services are self-supporting and rely on student fees and sales and service (self-generated revenue). The pay plan must be covered by these. She assured the Senate that the fees have been kept as low as possible, but that an increase is necessary to keep the status quo. There is a scenario in place for a reduction in services if there is no fee increase, one of which might be the closing of Copper Commons at 3 p.m. daily. There will be a forum Tuesday, May 14, from 3-5 p.m. in the Mt. Sentinel Rooms. Hollmann extended an invitation to Senators to attend the Student Affairs Advisory Council meeting Tuesday, May 14, at 7:30 for breakfast in the UC. Interested persons must contact her as soon as possible so that she can make arrangements with Food Service.

Chris Johnson spoke on the University Center fees and encouraged Senators to research the fees and how they are being spent before deciding the issue.
Kay Cotton gave some background and clarified development fees for the UC. They are three years ahead of schedule in ending that fee. Please see Cotton if you have questions or want to access records.

Old Business

a. Resolution to Request Review of Parking Citation Fees. Tabled until next week.

b. Resolution to Rewrite Item D, Section 1, Article VI of the ASUM Bylaws. Tabled until next week. There will be a meeting on this Thursday (tomorrow) afternoon at 3 p.m.

c. Resolution to Designate Wednesday, May 15, 1991, as ASUM Office Manager Appreciation Day (Exhibit D). Tinsley - Rosenthal moved to suspend the Bylaws to consider. Carried. Hollenbaugh - Rosenthal moved to approve. Motion passed.

d. Resolution on Decal Accessibility Parking Act (Exhibit E). Jackson - Rosenthal moved to approve. Motion passed.

e. Rosenthal - Hollenbaugh moved to suspend Bylaws to consider Resolution to Oppose Increased Student Fees to Offset MPEA Salary Increases without Prior Assessment of Existing Fees. Carried. Wetterling - Hummel called previous question. Carried. Motion passed.

f. Resolution to Create Homecoming Committee (Exhibit G.) Failed.

New Business

a. West - Tinsley introduced a resolution to increase Student Health Services Fees by $1.

b. West - Redhorn introduced a resolution to increase UC fees by $3.

Line #2102 Professional Contracted Services $500

IFC and Panhellenic are hosting the campus to a speech by Mike Green, a nationally-known speaker that talks about drug and alcohol awareness. The total cost of bringing Mr. Green to campus is $2500. The Athletic Department, through NCAA grants, is contributing half of this sum, leaving the Greeks with $1250 left to cover costs for. We have approached Barbara Hollmann, but she has no funds available for this type of event. We plan on covering the remaining $750 with our private account. Since this event will be open to the student body, we feel it would be worthwhile for ASUM to partially fund this speaker. Any amount allocated would be very helpful!

REASON FOR REQUEST: Cut Bank has obtained mailing labels of English Dept. graduates from the Alumni Office. We'd like to do a bulk mailing to increase CutBank subscription revenue. To do so, we need money to print subscription notices and money for postage. Additionally, we'd like $100 to fund a two-color cover by faculty member James Todd. These efforts should result in an increase in subscription revenue, and a higher quality magazine (Cut Bank #36, the following issue) containing more work by UM students than ever before.

The University of Montana Big Sky Collegiate Taekwondo club will send Nicholas Terstenjak to the U.S. National Tournament in Portland, Oregon May 15 - 19, 1991. Participation in a national meet incurs food, travel, hotel and registration costs, which are difficult to cover without financial support. In addition, a trainer (Mr. Park Dong Kwon) and coach (Mr. Kim Sol) must accompany Mr. Terstenjak to the tournament as supportive staff. In past years, Mr. Terstenjak and other UM competitors have had to pay for all their own expenses, which add up quickly to large costs. This year we hope that the ASUM Senate will help Mr. Terstenjak financially in order to cover the costs of this competition.

If Mr. Terstenjak wins at U.S. Nationals, he will be granted the opportunity to compete at the U.S. Trials in order to attain a spot on the U.S. Team. As a member of this team, he would go on to represent the University of Montana and the United States at the Pan American Games in Havana, Cuba, and at the World Championships. Tournaments of this magnitude will afford Mr. Terstenjak the opportunity to enhance and fine-tune skills, in addition to allowing him to learn new skills, which will be brought back to the UM club in Missoula, and integrated into club curriculum. The UM Big Sky Club numbers well over 100, most of whom are UM students who benefit from the instruction of such experienced black belts as Mr. Terstenjak, Mr. Sol, Mr. Park, and others.

A RESOLUTION TO DESIGNATE WEDNESDAY, MAY 15, 1991 AS ASUM OFFICE MANAGER APPRECIATION DAY.

WHEREAS, Carol Hayes as the ASUM Office Manager is indispensable to the endeavors of the ASUM Senate and numerous ASUM organizations; and...

WHEREAS, Carol's execution of her duties is excellent; and...

WHEREAS, We would all be completely clueless without her; and...

WHEREAS, It is important to acknowledge a job well done; and...

THEREFORE, BE IT RESOLVED...

that Wednesday, May 15, 1991, be designated as ASUM Office Manager Appreciation Day, and those so inclined do whatever they feel appropriate to show their appreciation.
WHEREAS parking has always been a major problem on this University's campus...

and

WHEREAS ample parking spaces already exist in some of the hourly parking lots, and on any given day one only needs to walk through them to observe the numerous empty parking spaces...

and

WHEREAS it would not be economically feasible for this University to even consider building more parking lots when existing lots are not being exploited to their maximum usage levels...

THEREFORE BE IT RESOLVED...

that ASUM will do everything possible to persuade and influence the proper authorities that the hourly parking lot which is located between the University Center and Mount Sentinel be reorganized in the following manner: the first row would remain hourly parking due to UC business needs; the second row be converted to hourly and decal parking; the third row would remain as it currently is (decal/hourly). The reorganization, if successful, would create an additional 58 parking spaces for the possible use of students with decals, and somewhat alleviate current parking demands in the immediate UC area. Copies of this resolution will be disseminated through the proper channels.

SENATORS HUMMEL & TINSLEY - 5-2-91
A RESOLUTION TO OPPOSE INCREASED STUDENT FEES TO OFFSET MPEA SALARY INCREASES WITHOUT PRIOR ASSESSMENT OF EXISTING FEES.

Objective: To ensure responsible use of student fees and prohibit any increase of such fees, particularly to offset the MPEA pay increase, without prior research into the feasibility of such an endeavor.

Whereas, The recent strike resulted in a pay increase for the deserving Montana Public Employees Association; and

Whereas, The University of Montana is under financial strain, and administrators are exploring possible areas from which funds to cover the MPEA pay raise will come; and

Whereas, The students at the University are continually subjected to tuition and/or fee increases without prior understanding of what these fees are for; and

Whereas, Students cannot be expected to continually forego such increases to maintain the university system without added state support;

THEREFORE, BE IT RESOLVED...

that the ASUM senate oppose ANY increases in student fees and/or tuition without a complete assessment of the existing expenses.

In addition, a copy of this report will be made available to public the student population.

Co-sponsored and authored by Paula Rosenthal and Sen. Ed Tinsley

Asum reasserts its position that the student contribution to the cost of education does not exceed .25%, while state contribution covers the remaining 75%.
A RESOLUTION TO CREATE A HOMECOMING COMMITTEE

OBJECTIVE: To organize student functions for homecoming in an effective manner within budgetary constraints.

Whereas, the homecoming dance is a tradition at the University of Montana;

and

Whereas, planning for this event should be done by students and with student input;

and

Whereas, the Alumni Association has a good rapport with ASUM and the two should coordinate efforts concerning the homecoming celebration...

THEREFORE BE IT RESOLVED...

......that the ASUM senate form a Homecoming Committee made up of representatives from the key support groups for homecoming: UM Spurs, UM Advocates, and Mortarboard, as well as two ASUM senators and ex-officio members including the ASUM Business Manager, representatives from the Alumni Association, ASUM Programming, UC Catering, and UC Scheduling.

The committee's main responsibility would be organization of the Homecoming dance and other student activities for homecoming. There will be public forums and meetings to encourage student input.
