TO: ASUM Central Board  
RE: Proposed Central Board Action  
DATE: December 3, 1986  

The Women's Resource Center has received a memorandum from a member of the Women's Law Caucus about the issues between WRC and ASUM-CB.  

On the basis of findings and conclusions documented in the memorandum, the WRC by this statement notifies ASUM-CB that if ASUM-CB persists in attempting to force the restructuring of the WRC, in violation of the ASUM constitution and other Montana and US public policies, the WRC will take appropriate action to protect the integrity and rights of our organization.  

WRC has documented factual evidence that ASUM-CB has violated its own constitution and by-laws on several occasions in regard to WRC and WRC will use that information in pursuing any action against ASUM-CB.  

Copies of the Law Caucus memorandum are available at WRC. You are invited to come and read the document.
ASUM CAR POOL PROGRAM REEVALUATION RESOLUTION

WHEREAS, On November 12, 1986 ASUM Central Board passed a resolution to implement the ASUM CAR POOL PROGRAM to try and solve the parking problem here on campus; and

WHEREAS, The resolution does not specifically state which group or a time in which this program shall be up for evaluation; and

WHEREAS, The previous attempt to solve the parking problem, University of Montana Administration Shuttle Bus Program, failed to work because of poor planning and a lack of evaluation of the program as a whole.

THEREFORE, Be it resolved that ASUM Central Board request that the Student Union Board be designated sole evaluator of the Car Pool Program, that on a quarterly basis, they evaluate and make suggestions for improvement.

THEREFORE, Be it further resolved that on May 13, 1987 the Student Union Board make a formal report to Central Board on the Car Pool Program so that it may be reviewed and submitted to the City Council during their reevaluation of the parking ordinance currently in effect.

THEREFORE, Be it further resolved that a final report be submitted to Central Board by the Student Union Board a year from the Car Pool Program's installation, November 11, 1987.

Paul Tuss, ASUM President
Approved by Central Board 12/3/86
ITEM 5.0 LEGISLATION

5.1 This policy has been developed by Budget and Finance Committee for Central Board. All decisions regarding financial affairs of ASUM must be passed by simple majority of Budget and Finance Committee and that decision can be overturned by two-thirds (2/3) majority vote of Central Board.

ITEM 6.0 STATEMENT OF SCOPE - STUDENT APPROPRIATIONS

6.1 Our mission is to complete effectively the collection, allocation and monitoring of student activity fees and financial affairs. This is to be based on fair, objective and standardized criteria which, in turn, is subject to annual evaluation.

6.2 Academic week is defined as a week during winter quarter in which there are four days of instruction or more.

6.3 An organization's funding status must be determined by the Committee on Committees before applying for any funds from ASUM. ASUM registered groups and member organizations may pick up Budget Request Forms from the ASUM Office. These forms will be made available by the first academic day of winter quarter. Budgeting for the entire fiscal year will be accomplished during winter quarter. During the second academic week of winter quarter the ASUM Business Manager, in consultation with the UM Controller's Office, will determine the total allocation figures for the upcoming fiscal year. These figures will be forwarded to the ASUM President, Budget and Finance Committee and Central Board.

6.4 Upon receiving the total appropriation figures, Budget and Finance will assess student needs by holding two open forums. [Enumerated below.]

6.5 Student Forums:

1. The subject of these forums shall be funding categories. This is not a lobbying session for individual organizations. However, organizations may be referred to briefly within the context of the funding categories that they pertain to.

2. These forums shall be conducted as an extension of the regularly scheduled Budget and Finance Committee meeting. The chair of Budget and Finance Committee shall preside over the forum. If a question arises regarding the appropriateness of a ruling, Budget and Finance Committee may overrule the chair's decision by a majority vote.
3. The advertised budgeting forums will be held during the second and third academic weeks of winter quarter. It is the intention of the Committee that the funding base percentages be presented prior to the second open forum.

6.6 FUNDING CATEGORIES

EVERY ASUM MEMBER ORGANIZATION SHALL BE CATEGORIZED INTO THE FOLLOWING FUNDING BASED CATEGORIES:

1. Broad-Based Student Services:
   This category has potential to serve every student on campus, and without which attendance at the University may not be possible.

2. Student Programming:
   Provides campus entertainment geared towards all students.

3. Campus Recreation:
   Provides recreation for all students at University of Montana.

4. Student Publications:
   Provides for publications that are directed at the student body as a whole.

5. Student Support Services:
   Provides support for specific student interest groups on campus.

6. Academic Organizations:
   Provides academic enhancement through social environment. These funds are not intended to supplement departmental budget shortfalls. There must be a clear separation between the academic department and the student group.

7. Special Events/Campus Life Activities

8. ASUM Administrative Agencies.

9. Central Board Discretionary.

Once student opinion has been gauged and needs determined, Budget and Finance will develop Funding Based Percentages for each funding category. At that time, the ASUM Business Manager, will forward the percentages to Central Board for two-thirds (2/3) majority approval. Once funding percentages have been approved, they must be published in the Kaimin and forwarded to the ASUM President as guidelines for the executive budget recommendation.
6.7 The ASUM President will call for budget request forms during the **fifth academic week** of winter quarter. Budget request forms will be submitted to Budget and Finance so that each request form can be approved on the basis of accuracy and adherence to fiscal policy. The ASUM President with the advice of the Vice President and Business Manager will develop a budget consistent with funding-based percentages approved by Central Board with a 3% deviation (margin of error) within each funding category.

6.8 The ASUM President will submit the executive recommendations to Central Board by the **seventh academic week** of winter quarter. By **Monday** of the **seventh academic week**, Central Board Delegates are required to spend two hours per day at the Central Board Lobby Chamber in the Montana Rooms. [enumerated below] The official Central Board Lobbying Schedule will be advertised during the entire week. At this time, lobbying appointments and presentations as well as literature distribution to delegates may occur. Official Central Board Lobbying will take place during this week. No Official Lobbying will occur after this week.

Central Board Lobby:

1. The lobby sessions will occur Monday, Tuesday, and Wednesday of the **seventh academic week** from 3-6 pm daily.

2. Delegates are required to attend daily lobbying sessions for at least two hours. Exceptions must be directed to the ASUM President.

3. The Lobbying Chambers will be made available from 3-8 daily so that delegates may conduct individual lobbying sessions.

On Thursday of the **Seventh Academic Week** will be Central Board call. This is a system in which Central Board Delegates can request groups to appear and justify their budgets or ask questions of their functions. Groups cannot appear without being officially called by a Central Board Delegate. Again, no lobbying can occur. The procedures for Central Board Call shall be as follows:
1. Each delegate may call a maximum of three member groups or organizations. An order for discussion with groups called shall be created with no time constraints.

2. Each delegate has the right to the floor when his or her groups has been called;

3. Each group called may answer a question from by any delegate, but no presentations will be allowed by groups;

4. No member group or organizations may be called more than once during Central Board Call except by a 2/3 majority vote on a privledged motion.(not debatable)

6.9 The week following Central Board Call will be Final Budgeting. During Final Budgeting Session, line-items and budgets may be increased or decreased by a simple majority. Prior approved funding categories cannot be changed except by a 4/5 vote of Central Board. Once Central Board has approved the budget, it must stay in said form unless a new ASUM Constitution and Bylaws are passed and a directive warrants a new Fiscal Policy to be passed.

7.0 IMPLEMENTATION

The ASUM Business Manager shall make available prior to the third academic week of winter quarter, a budgeting packet explaining the budgeting process in a comprehensive fashion. This packet must contain an itemized timeline of the events that shall occur during budgeting.
