The meeting was called to order in the Activities Room of the University Center by the President, Ed Leary, at 7:00 p.m. He introduced two men from the Halfway House who spoke on alcoholism and asked for a contribution to the Halfway House organization. There was a question and answer session concerning alcoholism and drug addiction. Barsness moved that Central Board allocate $500 to the Halfway House. Brown seconded. The question was raised whether the students would go along with this allocation in view of the other types of contributions and specific allocations made by Central Board. Leary said he thought this would be a new involvement for the Central Board which has been suggested of the C.B. Robertson said he thought it was a much better investment for the C.B. especially when the speaker had offered to give a series of lectures here on the campus on alcoholism. Brown said it showed possibilities for University students in social work and psychology study. The motion was passed with Gorton, Schaffer, Hanson against, and Scanlin abstaining.

President's Report
Leary called to the attention of the C.B. an interesting article in The Monitor. Leary said that the tennis courts are under construction.

Fieldhouse and Physical Plant
Waters reported that Parker had consented to the construction of parking spaces behind Craig, but needed suggestions on just where to put them.

Planning Board
Love announced his resignation. Brown moved that the Central Board accept Mary Love's resignation. Schaffer seconded the motion. Love gave his reasons for resigning as a protest against the C.B.'s actions and inactions. He said he believed much of the blame should be on the leadership. The motion was passed with 7 for, 6 against, and 2 abstentions.

Student Services
Leary reported that the questionnaire handed out to the women students was found to be statistically bad. She explained her wording by saying that the questions had been set up wrong, having answers which didn't really allow the women students actual opinions. The questionnaire is being computed now. Leary said there was a committee of 7 girls and 3 administrators who made up the questionnaire.

Budget and Finance
Barsness stated his objection to the "M" Book allocation. Hughes questioned how we could have $7000 left in the Reserve Fund after we had been under the impression that we had hardly anything left. Barsness said it was because of difficulty in budgeting on a changing student body registration number. The Reserve Fund is a carry-over from year to year. Scanlin said she felt we should reconsider some of the proposed allocations we had turned down.

Elections
Wilson said that next Wednesday is the deadline for Central Board applications.
It was suggested that we not have a primary. Robertson said it would be impossible to get platforms and information on the candidates into the paper if there was a primary next week. Thogersen moved we waive the by-law and not hold a primary election. Hughes seconded. Leary explained about the constitutional amendments ballot. The motion was carried. The General Election would be on April 16th.

OLD BUSINESS

Brown moved to bring off the table the motion concerning the salaries for the President, Vice-President, Business Manager being put on the ballot. Hanson seconded. The motion was carried. Brown moved that Central Board place on the ballot as part of the referendum making the President, Vice-President, and Business Manager the only elected positions, the following salaries: President $90 a month, Vice-President $60 a month, and Business Manager $90 a month. Darsness seconded. The motion was passed with Darsness and Scanlin abstaining.

NEW BUSINESS

Scanlin asked for a donation for the Grauman scholarship fund, established upon the recent death of Andrea Grauman, past Program Council director and Junior delegate. Scanlin moved that Central Board give $50 to this fund. Hughes seconded. Brown amended the motion to state $100. Darsness seconded. The amendment to the motion was passed. The original motion was carried. Leary asked the Central Board to talk up the coming election and encourage people to run for the positions on the Board. The meeting was adjourned.
