He said that this sound system could be used in all buildings on campus. MERTENS MOVED THAT $7794 BE APPROPRIATED FROM THE RESERVE FUND FOR THE PURCHASE OF A SOUND SYSTEM FROM ELECTRONIC PARTS. THE MOTION WAS SECONDED BY BAHR. THE MOTION PASSED WITH MARTIN, LINSAY, WICKS, THOGERSEN, MCEWEN, STRONG, HANSON, MCKEE, BAHR, CUNNIFF, PETERSON, AND GRAY ABSTAINING, AND MERTENS OPPOSED.
Mertens said that the reason that he was opposed to this motion is because he wanted the members to take more active interest in the idea of budgeting money for different proposals. Martin said that the board has been working on this proposal since last spring and that there was no reason to question the allocation.

Strong moved that Beth Eastman be appointed as senior delegate to replace Mazurek on the board. The motion was seconded by Thogersen. Mazurek said that he based this decision on the work that Eastman has done on other committees and that she was the most qualified person for the position. Mertens asked that the meeting be closed so that the board would be able to discuss this matter in private. Thogersen said that a recommendation was passed last year to ban closed meetings. Mertens said that he wanted a person who has been active in student government. Strong said that committees are still important even if they are not within the student government. Thogersen said that she had worked with Briscoe last year in Helena as an intern and that she knew a great deal about the proposed constitution. The motion passed with Bahr opposed, and Martin, Linsay, Nicks, Thogersen, Nelsen, Mertens, Gorton, Strong, Hanson, McKee, Cunniff, Gray, and Peterson.

McNee asked if members applying for committees could be present at the meetings. Mertens said that the vice president has the responsibility to look into the means of providing the board with the qualifications of the people applying for different committees. Gray said that this was a good idea because the freshman delegates did not always know who the different people were. Mertens said that if the applicants were not appointed to one committee, they should be appointed to another one so that talented man-power would not be lost. Nicks said that the applicants should be present at the Central board meetings. Mazurek said that he would take this under advisement and put this method into effect.

Strong moved that ASUM Central Board encourage the University of Montana students to express their views on world peace, poverty and pollution by participating in the Moratorium Day planned activities. The motion was seconded by Thogersen. Cunniff moved to amend the motion to read: That ASUM Central Board encourage the University of Montana students and faculty and people of the community. The amendment was seconded by Gorton. The amendment passed unanimously. The amended motion passed unanimously.

Hanson seconded the motion. Schenck said that these people resigned because of other job commitments. The motion passed unanimously. Gorton moved that the following students be appointed to fill these vacant Kaimin positions for winter quarter, 1970: Frank Greco, managing editor; Marilyn O'Neil, Montana Review editor; Robin Tarnap, associate editor. The motion was seconded by Thogersen. Schenck said that only one associate editor was chosen because the other applicant did not show up for the meeting and the publications board wanted to wait until after they interviewed her before choosing another one. He went on to say that all of the people chosen met the requirements in the by-laws and that they did not have other job commitments and they have experience. The motion passed unanimously.
Hanson said that at the MSPA convention and at the Council of Presidents meeting, both of the resolution passed unanimously. He said that the Council of Presidents are working on the standard group requirements.
