SECONDED BY BAIRD. MOTION PASSED UNANIMOUSLY.** Ross passed around a letter received from Mr. Pantzer, Financial Vice President. That letter is as follows:

**Dear John:**

The contents of your letter of December 2, 1965, wherein you set forth the resolution passed by Central Board, has been reviewed by the Dormitory Council and also the President. In the interests of the whole residence hall program, along with administrative considerations, the request contained in the resolution cannot be honored. I am sure that this is worthy of some explanation.

Last Spring serious consideration was given to establishing a raise in both board and room rates of in the vicinity of 7% over the existing rates. This matter was reviewed very carefully at that time, and the conclusion was reached that we could prevent a raise in rates and still carry on the program in the event that we reduced some administrative expense and also the matter of refunds to the so-called multiple-room occupants. In light of rather marked increases in costs, especially in the Food Service operation, we have been considerably concerned about whether we made the right decision at that time. We note that several institutions, Washington State University being one in our area, have just announced an emergency increase in rates at this time because of these rising costs. Incidentally, while our board and room is now $694.00 a year, their's will be $810.00 a year.

Frankly, at this time we have under consideration whether we should have an emergency raise, one thought being to continue the multiple rooms at the existing rate and to raise the rate in double rooms. We have concluded that this would not be appropriate and would involve considerable administrative difficulty. As we see it right today we do not plan to establish an emergency raise if it is at all possible to prevent it during this academic year.

We are most hopeful that we can close out the multiple-room living early in Winter Quarter, so that this somewhat unfortunate situation will not exist for the rest of the year. We are going to make every effort to do this. We find that most institutions that have housed three people in double rooms have not been making refunds at any time. The view seems to be that though it causes some inconvenience to have the additional person in the room, the student is provided with the necessities for sleeping quarters and the other reasonable incidents of dormitory living.
It is recognized that everyone will certainly not be pleased with this decision, but I am at least hopeful that it will be better understood from the information furnished herein. We most sincerely strive to retain the best possible services for the lowest possible cost to every student who lives in our residence halls and eats in our food service. From what we know of other places we think we are doing a reasonably good job in this regard. Our whole philosophy is to provide a dormitory-food service living situation to accommodate students to the best of our ability. We are hopeful that the students who occupy these facilities find that we are performing our mission with at least reasonable satisfaction.

Thank you for bringing this matter to our attention, and I hope this will serve to give you information which should be brought to your attention.

Sincerely yours,

Robert T. Pantzer
Financial Vice President

Ross said that beginning next fall quarter there will be a $5.00 parking fee imposed on students registering their cars. There will be more on this when Mr. Pantzer comes to Central Board.

BUDGET AND FINANCE COMMITTEE

Wendte moved that Central Board allocate $500 to Friends of the Library.
Seconded by Behan. Kitzenberg presented a substitute motion that Central Board allocate $1,500 to Friends of the Library. Seconded by Cromwell. Kitzenberg said that there is a need for administrative funds. Fairley said that he had the understanding that most of the money goes for graduate level books. Behan said that because Central Board represents the undergraduate program the allocation should be marked for the undergraduate level. The amendment was defeated with Ross voting no to break the tie resulting from Behan, Cromwell, Fairley, Kitzenberg, Stockamp, and Waldron voting in favor, Anderson, Assestine Cosman, Lanman, Nisbet, and Wendte opposed: and Baird, Morrow, and Haarr abstaining. Behan moved to amend the motion to read that Central Board allocate $1,000 to Friends of the Library. Seconded by Fairley. Kitzenberg said that he would like to see this money for administrative purposes. Behan said that he would like to have the money spent for something the results of which we could see in the near future. Behan moved to amend the motion to read that the money is not to be used for administrative purposes. Seconded by Nisbet. Up to this time money from alums has been used for administrative purposes, but it is not adequate. Stockamp moved for the previous question. Seconded by Behan. Motion passed unanimously. The amendment that states that the money is not to be used for administrative purposes passed with Cromwell, Lanman, Waldron, and Wendte opposed. The amendment that reads that Central Board allocate $1,000 to Friends of the Library with the stipulation that the money will not be used for administrative purposes passed with Wendte and Lanman opposed. Ross relinquished the chair and said that he felt that it was a state function to get the books for the library. He said that he agreed with the purpose of the Friends of the Library and knew that if they did not get the money, they would probably not get the books, but he felt that $1,000 was in excess. Wendte moved to amend the original motion to read that the Friends of the Library submit reports to Central Board telling how the funds
ARE SPENT. SECONDED BY BAIRD. THE AMENDMENT PASSED WITH ASSELSTINE AND FAIRLEY OPPOSED AND LANMAN ABSTAINING. Question was called for on the original motion. THE MOTION WHICH READS THAT CENTRAL BOARD WILL ALLOCATE $1,000 TO FRIENDS OF THE LIBRARY WITH THE STIPULATION THAT THESE FUNDS WILL NOT BE USED FOR ADMINISTRATIVE PURPOSES AND THE FRIENDS OF THE LIBRARY WILL SUBMIT REPORTS TELLING HOW THE FUNDS ARE SPENT PASSED WITH ANDERSON, ASSELSTINE, LANMAN, AND WENDTE OPPOSED.

There will be more on this later.

KITZENBERG MOVED THAT CENTRAL BOARD REQUEST MR. PARKER OF THE UNIVERSITY PHYSICAL PLANT TO INVESTIGATE WAYS AND MEANS OF ADDING CLOSET SPACE TO THE FOLLOWING DORMS: BRANTLY, CORBIN, NORTH CORBIN, TURNER, AND ELROD WITH THE UNDERSTANDING THAT HE SUBMIT A WRITTEN REPORT TO CENTRAL BOARD ON HIS FINDINGS. SECONDED BY STOCKAMP. Wendte said that he does not see that this can do very much good because the extra space will be needed for extra beds rather than closets. THE MOTION WAS DEFEATED WITH ANDERSON, ASSELSTINE, BAIRD, COSMAN, MORROW, NISBET, STOCKAMP, WENDTE, AND HAARR OPPOSED; BEHAN, CROMWELL, WALDRON, AND KITZENBERG IN FAVOR; AND LANMAN ABSTAINING.
