The meeting was called to order at 10:15 p.m. by President John Ross in the ASUM Office.

**ELECTION COMMITTEE**

Ross said that all the amendments failed because the required 30 per cent was not obtained. He said the election dates had to be specified. BEHAN APPEALED THE DECISION OF THE CHAIR. SECONDED BY WENDTS. Cromwell said that the date was published as the 26 and that only lasts until midnight today. Behan said that he felt there was enough flexibility to allow the election to be held again tomorrow. Ross said it would be worse than a grade school election if we were going to keep the polls open until we received the required amount. He ruled the motion out-of-order.
