Central Board Minutes
February 27, 1963

Correction to the Executive Minutes of the previous meeting was the correct spelling of the name "Berma" on page 1.

Budget and Finance
Browman moved that Central Board allocate $480 to the Parachute Club.
MOTION SECONDED BY ROBINSON. Browman said they would take two teams to Gonzaga for a meet and two teams to Orange, Massachusetts where they took second in the nation last year. MOTION CARRIED (13-0-2) WITH STONE AND BROWMAN ABSTAINING.

Browman moved to make an additional allocation to Traditions Board of $100. SECONDED BY DENNIS. Browman said that the money had been misplaced since it had been used for new cheerleading uniforms after it had been suggested that they make their own. Woods said he had understood that the deficit was from the Interscholastic Barbecue.
MOTION CARRIED WITH ROBINSON ABSTAINING. (14-0-1) Dennis abstained.

State-wide Convention
Fuller reported that all the final plans had been made and that there would probably be about 45 people representing the various participating schools.

New Business
Kathy Johnson said that she wished to suggest that the Kaimin refrain from putting unsubstantiated remarks in its articles. She said that an English major she knew submitted an essay to the Venture contest recently and had been told that it was one of the best essays Dr. Brown had ever read. When the Kaimin came out, however, it stated that the winning article was the only good piece of literature in the contest. This, Miss Johnson said, should be eliminated if remarks of the sort aren't substantiated.

President Whitelaw reported that the Central Board pictures would be taken Wednesday, Mar. 6.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Joanne M. Hassing, ASMSU Secretary
