Central Board  
May 15, 1963

The meeting was called to order by President Rick Jones at 7:00 p.m. in the Silverbow Room of the Lodge.

Corrections  
In the minutes of May 8, 1963, under Planning Board by-law changes of Div. II, Art. XIV, Sec. 1: the words "the two year" should have been "a"

Jones extended Central Board's welcome to Dr. Robert Turner, the new faculty Central Board advisor.

Letters  
1. Jones read a letter from U.S. Representative James Battin thanking Central Board for advising him that CB had passed a resolution that tax exemptions for self-supporting students be incorporated into the laws of the country. Battin stated that he felt that the Ways and Means Committee of the House would consider the measure dealing with tax deductions for students.

2. Jones read a memo from Robert Pantzer to Bill Palmer stating that ASMSU would not be charged for the cost of cleaning up the Cascade Room after Spring Quarter registration. It is the function of the University itself, through the Physical Plant to take care of the setting up of, and thereafter the taking out of, installations relating to registration. This is recognized as an obligation of the University. Since hereafter the Cascade Room will not be available for this type of activity because it will be used for general Food Service operations it is believed that next year there will not be a similar problem. However, in the event some other area is to be used which required Physical Plant after-hours labor, then it is believed that prior to such event there should be an understanding between the Superintendent of Buildings and Grounds and the students representing ASMSU as to what the charge will be. It is my belief that any charge should be the very minimum, and possibly students might even participate in the work to reduce such charge.

Planning Board  
1. Phillips reported for the Student Council Conference Committee that having talked with the high school students involved in the Nov. 2, 1963, conference of high school student councils, they learned that the high school students did not think that the college students should participate in their conference but that they would like to have our president, Rick Jones, talk to them.

2. Phi Kappa Phi and Mortar Board are choosing the members of the curriculum committee and alternates this week.

Budget and Finance  
Kositzky reported that Budget & Finance Committee had approved the ASMSU Student Loan Fund. KOSITZKY MOVED THAT CENTRAL BOARD APPROVE THE ASMSU STUDENT LOAN FUND. SECONDED BY JIM RICHARD. MOTION CARRIED UNANIMOUSLY.

Kositzky also reported that the money due the students who used their cars to go to Leadership Camp was at the Accounting Office.
Vice President
Richard reported that the ASMSU committee applications were due May 23, 1963. Jones asked the CB delegates to talk to members of their living groups to create some interest in the ASMSU committees.

Old Business
1. Jones reported that he had talked to Miss D. Gertrude Chamberlain, Director of the Food Service, regarding the problem in the dining room. Several students had complained about not being served food when they had gone to eat within the serving hours. She said that she would take care of the problem immediately.

2. Student Information Committee: George Cole, chairman of the committee, said that he would have a written report next week. His two projects at the present are: 1) taking a poll to see how effective Freshman Camp is and 2) setting up a job bureau. Cole and Robin Anderson have listed 25 job opportunities to be published in the Kaimin and will post a typed list in the Lodge.

3. Cole read a letter from Carol Lockwood stating that she thought that Freshman Camp was very worthwhile and had made her feel more a part of the University.

Schwanke said that he will be presenting some by-law changes to Planning Board and urged CB members to attend the Planning Board meeting. Dennis asked if Planning Board could bottleneck any by-law changes presented and stop their being presented to Central Board. Jones said that Planning Board could not.

Traffic Board
Jones urged students to apply to serve on Traffic Board, especially girls because Traffic Board is dominated by boys at the present. Dennis asked if Traffic Board had a policy. Browman stated that the board determined the policy and that the State Board regulated the fines. He advised CB members to attend the Traffic Board meetings.

SCHWANKE MOVED THAT THE MEETING BE ADJOURNED. SECONDED BY BOWLER. MOTION CARRIED (12-1-0) WITH DENNIS OPPOSED.
