Elections Committee with Candidates
April 13, 1962

Election Procedure.
1. Names will be arranged alphabetically in a single column which will be rotated every 100 ballots.
2. Polls will be open 9 a.m. to 5:30 p.m. on election day. At 5:30 no one past the last person in line will be allowed to vote.
3. To tally votes there will be 7 judges. The second judge will check on the first who reads the ballots and the other 5 keep tally sheets. After 50 ballots a check will be made on the tally. If four judges agree, the procedure will continue. If the agreement is only 3-2, a recount will be made on those 50 ballots.
4. Every candidate has the right to ask for one recount if there are good reasons substantiating it. Carroll may have as many recounts as he feels necessary.
5. The election is not declared official until Adams, Carlson, and Carroll have signed the results.
