January 5, 1961

Absent: Ddey, Oswald

The meeting was called to order by President Paul Ulrich at 4:00 p.m. in the Silver Bow Room. The minutes were read and approved.

ACTIVITIES BOARD
This quarter special events and dance committees have been combined, reported Datsopoulos. Bob Morganstern will serve as chairman. Special Events will publicize and work out the details for the Four Freshmen who will perform here Jan. 19, A dance held Jan. 3, the night after registration, brought a profit of $50. Friday, Jan. 6, the Blue Hawks are playing for a dance in the Cascade Room, free of charge. Under games committee, Bridge Lessons have been scheduled for Tues., night, Jan. 17. They will be continued every Tuesday night. A Bowling Tournament is scheduled for January 27, and 28. From this, two people will be sent to Oregon, sponsored by the Student Union, for a Region 11 University Bowling Tournament in February. Ping pong tables are to be set up in the Lodge.

Under Arts and Crafts Datsopoulos announced that an Oregon art display will be here in February. Also a tournament is to be held for prize judging. 1st, 2nd, and 3rd place displays will be purchased from the exhibitors and displayed.

A refund check amounting to $124, 03 has been returned to ASMSU from expenses on the Gateway Singers. Of this $875 was a prepayment and $169, 03 was for expenses incurred.

Duke Ellington will be available March 4 for $2500. Datsopoulos said that Ellington usually asks at least $3500 to $4000. He also said that the field house could be reserved for that night. Les Elgart, who was tentatively scheduled for February 10, is now not available in the West. Elgart will probably tour this part of the country in the Fall. Morris asked why Ellington had lowered his rates. Datsopoulos said that he was done with a night club show in Las Vegas Feb 28 and had a free week before he was scheduled to appear in the East. This performance will be a 2 hour concert and a 2½ hour dance.

CLOSSES MOVED THAT ASMSU ACCEPT DUKE ELLINGTON FOR A MARCH 4 PERFORMANCE. SECONDED BY JOHNSON. Lee asked how sure this proposal was. Datsopoulos held up the contract. Romstad asked if this would interfere with final week. Ulrich said that finals would start March 13. MOTION WAS PASSED UNANIMOUSLY.

Datsopoulos also announced that arrangements could be made to have the Hi Lo's and S. Zentner here April 28. S. Zentner would have a 15 member band plus a singer, the Hi Lo's would also sing with them. The price quoted was $2300; usually the cost would be $3200. This would also include a 1½ hour show, 2 hour concert and a 2½ hour dance. Datsopoulos said that the only trouble here was that Leadership Camp is also scheduled for that weekend. Lee said that she thought too much was already scheduled for this year. Datsopoulos said
that this would be the only big event that would be scheduled.
Gilkey, chairman of Leadership Camp, said that the camp can
not be rescheduled and that there would be around 60 at the
camp. Datsopoulos pleaded again on the basis of the low
cost but no interest was aroused.

OPINION POLL
Lee reported that 313 people had bothered to cast their
opinion ballot during registration. Of these the results are:
273 male voters—tennis courts; 227 female voters—tennis
courts; 116 male voters—handball courts; 18 female voters—
handball courts; 11,9 no opinion; other ballots contained
various opinions too numerous and diverse to mention. Lee
said that out of 3000 registrants, 813 was not a very good
percentage but it presented a sample of opinion. CARLSON
MOVED THAT THE MOTION "CENTRAL BOARD RECOMMEND TO THE UNIVERSIT
ADMINISTRATION THAT SIX NEW TENNIS COURTS BE CONSTRUCTED AND
THAT THE PRESENT SIX COURTS BE RENOVATED" BE REMOVED FROM
THE TABLE. SECONDED BY ULVILA. MOTION CARRIED UNANIMOUSLY.
Vasser asked about a compromise if there was enough interest
shown for one or two handball courts. Datsopoulos reported
his discussion of the summer again in which Mr. Pantzer had
expressed that there wasn't enough money for both. THE
MOTION WAS CARRIED 143-0, WITH JOHNSON ABSTAINING. ULRICH
said that he would write a letter to the administration to
see what kind of response this action would bring.

STOP SIGNS
Morris reported that nothing had happened after his meeting
with the administration and that Mr. Pantzer had said that
if anything exciting would happen, he would call Morris.
Stone asked for a moment of silent prayer for Gary Bradley,
past representative to Central Board. He said that Bradley's
reports had sounded exactly like this.

OLD BUSINESS
Johnson inquired about the Bear Paw signs which are supposed
to be in the making. Carlson said that the easiest way to
find out about this was to have Doug Grimm, who was placed
in charge of the signs, report to the council next week.

Cogswell asked Bon if he had received a bill from Mr. Persons
whose car had been damaged by the Victory Bell after one of
the Grizzly victories. The bill had come during Christmas
vacation and Cogswell had forwarded it to Bon. However the
bill had not been received.

SENTINEL PUBLICATION
Ulrich summarized the action of the Sentinel staff on publicatio:
The staff decided to go ahead with the Taylor Publication
Company, Dallas, Texas, and have the annual printed by
lithograph. Eudaily now wants to revise the bid in order to
add pages to the book. She expressed confidence that the
publication will come out on time. Ulrich said that an agree­
ment between President Newburn and the Montana Associated
Press stated that the book couldn't be printed at the University
Printing Press in another firm within the state submitted a
lower bid. There was a lower bid within the state, with the
lowest bid coming from Taylor in Texas. Therefore the staff decided to have the book printed out of state. Cogswell remarked that this movement could very well fold up the University Work Scholarship program as the students who work in the bindery won't have any work.

NEW BUSINESS

Ulrich suggested that the Board set a new meeting time for Winter Quarter. Any suggestions as to a specific time brought at least one conflict.

Ulrich read a letter of resignation from Virgil Bon, Business Manager, in which Bon stated that he felt that he could not do justice to this job and to his studies at the same time. Also he has a heavy assignment schedule at the ROTC Department.

Johnson moved that Bon's resignation be accepted. Seconded by Whitelaw. Motion passed unanimously, with Bon abstaining.

Ulrich suggested that Whitelaw have a report ready for next meeting on election times and also to have the petitions out by that time. The main job of the business manager during this quarter is to set up the budget for next year.

Each delegate submitted a time schedule of his events and free time to Ulrich. He will then establish a meeting time and contact the delegates.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Diane Mossey
