**Assessment and Grading**

In order to qualify for a letter grade you must complete the P/NP requirements. Your final grade will reflect averaging your midterm worth 25% with work completed after the midterm worth 25%, then taking this outcome and averaging in your FINAL worth 50% (the final assignment TBA). As most students show significant improvement in the later part of this class, **the final project is crucial to the overall letter grade.**

A = Excellent  
B = Above Average  
C = Average  
D = Below Average  
F = Failed no point(s)

Your grade is primarily based upon comparison to other work within this class with some consideration given for personal improvement.

**Attendance**

More than three absences, continual tardiness, or leaving early may result in a lower overall letter grade for this course. If you miss class contact another student for what was covered.

**Double Credit Work**

None accepted

**Special Needs**

Students with disabilities or special needs should see the instructor.

**Announcements**

It is the student’s responsibility to write down information regarding the class calendar, handouts, exhibitions, lectures, readings, and any requirement changes.

**P/NP Requirements**
This section of 105A requires preparedness, class participation in discussions, and
attending outside of class art events. All students must pass all the P/NP
requirements to qualify for a letter grade; see below:

• **Preparedness:** Have your drawings ready to hang for all scheduled due dates.
This means they have been spray fixed and have masking or linen tape on the
backside corners and/or backside perimeter, and that you have plenty of clear
pushpins to hang your drawings. Have your paper and drawing tools ready to go
by 15 minutes past the starting hour; giving both you and myself time for setting
up. Drawings may be spray fixed outside or in the spray booth, 401A.
• **Class participation in discussions:** Class critiques are open discussion for all
students. Bring something to write with and something to write on to all critiques
and be prepared to reflect in writing and verbally to the artwork.
• **Art Events:** It is required to attend outside of class arts events to equal 20 points.
Become familiar with the list of museums and galleries from the ART EVENTS
handout. Events 1-10 are collected at midterm and a comprehensive list of 1-20
the last day of classes.

**Academic Misconduct and the Student Conduct Code**
All students must practice academic honesty. Academic misconduct is
subject to an academic penalty by the course instructor and/or disciplinary
sanction by the University. All students need to be familiar with the Student
Conduct Code. The Code is available for review online at
[www.umt.edu/SA/VPSA/Index.cfm/page/1321](http://www.umt.edu/SA/VPSA/Index.cfm/page/1321).

**Art Events Worksheet**
Students in my courses are required to attend out of class art related events such as visiting artist lectures, workshops and exhibitions to earn a total of 10 points. For listings of local exhibitions, log onto umartdepartment.wordpress.com, click onto the Blog site, check out the *Entertainer*, and keep your radar on for postings around the art building. Start a WORD document and list the following in order for each event:

- Points awarded
- Date attended
- Name of entity and/or event attended
- One thought in 1-3 sentences – positive or negative; this is a record of your immediate reaction to a work of art, followed by why/what is it in the work that caused you to feel and/or think this way. Complete sentences are preferred, but I am also open to your incomplete thoughts.

**SAMPLE**

1 point – September 2 – Gallery of Visual Arts Faculty Exhibition - I learned I never want to draw like Mary Ann Bonjorni because the mark making is too wild, however I liked the dude falling from the top of the picture plane towards the bottom and that made me think of Copernicus falling through the night sky and how science offers infinite explanations on the universe and what Art can be.

Points 1- 10 (or more) are to be printed off and turned in at midterm and comprehensive point listings 1-20 are printed out and turned in the last regular class of the semester. A point listing is provided below however feel free to ask about related events not listed.

**Point values are as follows:**

- **Three points** for national/international museums in metropolitan areas (New York, L.A., Seattle, Portland, etc. bring your student I.D. for discount admission fee)

- **Two points** per visit to the Montana Museum of Art and Culture/ Paxson and Meloy galleries, The Art Museum of Missoula downtown on Pattee Street, and other regional museums such as The Holter (Helena), The Yellowstone (Billings), etc.

- **One point** for Brink Gallery, approved out-of-town galleries, MAM Artini, visiting artist’s lecturers, workshops, UC Gallery exhibitions, GVA exhibitions, alternative spaces such as New West, Frontier Space, Clay Studio, Dana Gallery, some performance-like music events, installations/shows in the Off Center Gallery

- **One point each up to 3 points total for any College of Fine and Performing Arts events** such as the dance showcase, theatrical events, etc.

- **One third point recorded in groups of 3**, for local galleries such as Zoo Town, The Center, The Catalyst, Bernice’s Bakery, Food for Thought, Butterfly Herbs and/or alternate spaces not already listed.
