Central Board Minutes
March 9, 1960

ABSENT: Martin, Bradley, Meyer, Ulrich

The meeting was called to order by President Ed Risse in the Silver Bow Room. The minutes were corrected as follows:

Under Budget & Finance Committee report the words "minor sports" were changed to "club".
Denis Adams was present at the last meeting.

ANNOUNCEMENTS
Risse announced that the next meeting will be held the first Wednesday of spring quarter.

Due to student interest, he said, the letter concerning the trip to the Black Sea is on the bulletin board for student inspection.

REPORTS
Risse reported that he had received a letter from Charles Hertler, Chairman of the Health and Physical Education Department, concerning Central Board's inquiry into the regulation of requiring gym uniforms. He said that this program was advisable because if left to their own devices students very often did not use proper-health methods. He said that these uniforms were adapted to almost any kind of gym activity, and that they boosted morale among the students. Central Board accepted the reasons given as plausible.

PUBLIC RELATIONS COMMITTEE
Risse said that again had reported to him that there is no chance of having Boys State at MSU this year, as it will be in Dillon again. He said that Public Relations Committee has dropped the matter from the agenda as it is against University policy for the 1960-61 school year. He said the committee would leave a detailed report for future committees.

BUDGET & FINANCE COMMITTEE
Hansen reported that the MSU Parachute Club request for money was rejected. The Leadership Camp Committee request was tabled for further investigation. Hansen moved that ASMSU cover the All School Show deficit up to $1600 from the General Fund. Seconded by Lee. Passed 12-0. Hansen said that the guarantee in past years had been $500, but that this year's show, Oklahoma, will be a more expensive show.

STUDENT UNION REPORT
Adams reported that there is a dance planned for the night of Registration, March 28.
VICE-PRESIDENT'S REPORT
Adams reported that no Homecoming Committee Chairman will be picked until more applications are turned in.

Adams moved that the following people be approved for Activities Committee: Gwen McLain, Phil Curry, Katie Dunn, J.C. Maney, Pete Thurmond, Steve Fenter, Jim McFarlane, Sherry McLaughlin, Nancy Jacob, Sue Coolidge, Marsha Meagher, Pat Quinn, Margaret Stemplecamp, Marianne Whalan, Judy Merchant, Norma Frank, Marsha Blaszek, Gayle Saterlie, Jan Thompson, Bob Lucas, Bev Oliver, Jan Gerbase, Ellen Shearer, Kay Edwards, Judy Thompson, Deanne Atchison, Harlene Kolesar, Joe Porter, Jane Thomas. Romstad seconded. Passed 12-0.

ACTIVITIES COMMITTEE
Keefe reported that the new system of sub committees is working well. He said that with the increased manpower and new organization details are being taken care of efficiently. The Movie Committee is planning a program of classical and foreign films for next year. The Publicity Committee has been doing all publicity for the various functions. The Game Committee is planning a bridge tournament for next quarter. Keefe said that ASMSU had lost money on the last mixer, but the committee hopes to remedy the situation spring quarter.

PUBLICATIONS BOARD
Myrna Eyerly, representing Chairman Thom Mongar, reported that Publications Board recommends Larry Juelfs for Sentinel Business Manager. Juelfs was a member of Budget & Finance Committee and of the sub-committee that investigated the Sentinel budget. She also recommended Susan Greenfield, Sharon Blaszek, and Pat Hunter as Associate Editors. Adams moved Central Board accept these recommendations. Lee seconded. Passed 12-0.

ATHLETIC COMMITTEE
Risse reported that the committee met last Friday to discuss the budget. He said that the President will soon issue a statement about the athletic budget.

SOCIAL STANDARDS COMMITTEE
Risse said that he felt much progress had been made at the last meeting with the help of Paul Ulrich.

ALL SCHOOL SHOW
Brownman, the Business Manager of the All School Show, reported that the leads, ballet, and chorus have been picked, using approximately 70 people. He said that contracts for the orchestra, and chorus royalties had been signed, costing $1300. He said they expect a deficit of $600, but hope to lower the royalty. He said that Publicity Committee is working on the publicity. He read the proposed contract for the All School Show.
OLD BUSINESS
Adams reported that the Bearpaw signs will be higher than first estimated, as the Maintenance Department recommended using new pipe instead of used. Adams said he would present a total estimate by the first of spring quarter.

PROPOSED CONSTITUTION
Risse read a letter from Agen which stated that if Central Board did not put the proposed constitution before the student body for a vote by April 6, the planners will put it before them. Adams proposed a special committee to investigate the situation. Tate said that such an important change shouldn't go through so quickly; that the students need time to study the plan. Adams said that there is no general interest in Planning Board, and that the plan should go to the special committee. Brown said that Framenko's plan should also go before the committee. He also said that Planning Board should either be made functional or be disbanded. Tate moved that Adams organize a special committee of interested Central Board members and other students for the purpose of finding some agreement between the Constitution organization and Central Board. Romstad seconded. Passed 9-2, with Nichols and Morris opposed, Adams abstaining.

There being no further business the meeting was adjourned.

Respectfully submitted,
