Central Board Minutes
April 20, 1960

ABSENT: Nichols, Meyer (excused)

President Ed Risse called the meeting to order in the Silver Bow Room. The minutes were corrected as follows:

The vote on the motion to send a letter of thanks to the entire Store Board committee was 13-2 with Stone unopposed. Ulrich abstained in the vote to appoint Montegna Permanent Director of the Student MSU Movie, making the vote 8-0 in favor of the motion.

Risse read a letter from USNSA offering to pay $40 of the expenses if our government would send a delegate to the April 22, 23 conference on the "Sit in Movement". The conference is to be held in Washington D.C. The matter was dropped. Risse then read a letter from Ed Chinske requesting members to go on Intramural Sports Board. Sankovich moved that William Gilbert and David Sulc be added to the board. Tate seconded. Passed 12-0.

UNITED STUDENT PARTY

Risse read a letter from Tom Mongar in which he asked Central Board to consider three points. (1) He proposed that polling units be placed in Turner, North Corbin, Corbin, Elrod, and Craig halls to provide better coverage of the campus. He suggested that special marked ballot be sent to off campus students. (2) Mongar suggested that the ballots and voting lists be kept after the election, to insure an honest election. He indicated that there had been some dishonesty with last year's election. (3) He asked that ASMSU comply with the Amendment rule that reads; "The proposed amendment shall be published in the Kaimin in at least two issues a week for two weeks prior to voting," and see that the pertinent parts of the Proposed Revised Constitution were published in this way.

In reply to the letter Risse thanked the United Student Party for their interest. He said that he was glad, however, that the Greeks do not demand individual polling booths like this. He said that it seemed "foolhardy" to keep election ballots and voting lists for the entire year because of the confusion that would result. Risse said that it was the responsibility of the students interested to see that the Proposed Revised Constitution is published in the manner prescribed by the Constitution, as the matter was proposed through petition, not the consent of Central Board. He said that unless this was done the Proposed Revised Constitution was not eligible to be voted on.

Lee moved that John Wertz and Bob Sankovich be added to the committee. Romstad seconded. Passed 13-0 with Sankovich abstaining.

Lee opposed Mongar's plan for different polling stations, saying that such a plan would create confusion and more of an opportunity for cheating. Lee proposed a plan whereby there would be only one central polling place, probably in the Yellowstone Room. Ulrich said that Elections Committee had had three polling places last year because of students in places like the Business Administration Building. Hansen moved Central Board accept Lee's recommendation of one polling place. Bradley seconded. Passed 12-1 with Ulrich abstaining and Miller opposed.

CAMPUS VISITATIONS
Ashmore asked Central Board to accept his resignation as chairman because of outside work that was now taking his time. He recommended Bill Lingard as new chairman because of his interest and previous hard work on the committee. Sankovich moved Central Board accept Ashmore's resignation and his recommendation of Bill Lingard for chairman. Bradley seconded. Passed 14-0.

Adams reported that the committee is planning a movie program for next year. He said that Dean Cogswell had objected to the juke box playing on the patio of the Lodge from 7 to 10:30 because of the disturbance it would create in Craig Hall.

STUDENT FACULTY ATHLETIC COMMITTEE

Risse reported that the committee had examined the athletic budget, approved it, and recommended it to the President. He said they had discussed next year's basketball schedule. He asked that Central Board approve the following awards: Varsity awards in swimming, Wayne Veeneman, Bob McKinnon, Ivan Jacobson, Bill Brubaker, Gary Groshelle, Douglas James, Robert Schuette, John Vaught, Gary Homme. Freshman awards, Doug Brown, Harold Felter, Edward Hale, Stephen Johnson, Glenn Jones, Redge Martin. Adams moved Central Board accept the above recommendation. Tate seconded. Passed 14-0.

ALL SCHOOL SHOW

Browman reported that the tickets were ordered but that they would not be here until about Nov 9 as the Masquers insisted they be ordered from an outside company. He recommended that for the next All School Show the students order the tickets from a local printer. He said that tickets were being mimeographed for the early sale through the high school students. He said he thought that the All School Show would only spend about 90% of their allocated fund.

OLD BUSINESS

NATIONAL DEFENSE EDUCATION ACT LOYALTY OATH

Miller read the oath and affidavit and stated that they seemed very similar to the Pledge of Allegiance. He said that only 25 of all the institutions of higher education in the United States had registered a protest. Risse said that according to the Harvard Crimson the major reason the oath had not been eliminated was that the groups objecting had been political groups rather than students, and Congress felt that if the students, who were the ones affected by the oath, did not object there was no reason to change it. Risse said that the oath was an insult to the integrity of the student. Stone said that one of the main objections was to the government's intimida people about the organizations they join. He said we should resist government intrusions in private life and should require the government to show a real danger before we subject ourselves to such a stipulation. He said that the question is whether or not this intrusion is necessary. Martin moved a committee be appointed to inquire into the matter further and report back to Central Board. Tate seconded. Passed 13-0 with Miller abstainin
Martin, Ulvila and Miller are the committee.

There being no further business the meeting was adjourned.

Respectfully submitted,

Jean Tate
