Special Meeting
Central Board Minutes
April 4, 1957

Fox moved that the motion concerning requirements for ASMSU officers and delegates be taken from the table. Tacker seconded.

Cook reported that he and Perrior had consulted Dr. Briggs concerning the matter. Requirements for both Central Board delegates and officers should be given in the constitution proper and therefore go through an amendment process. Any desired changes must be voted on by 40% of the students and passed by a 2/3 majority in either the primary or final election. Any changes would not go into effect until 1958.

Cook rescinded his former motion.

Cook moved that the following be added to the ASMSU Constitution, Article IV, Section 6, clause (4), under qualifications: (4) candidates for the above four offices must have maintained a 2.5 grade index prior to their election. Scriven seconded. Passed 9-0 (Brown and Riddle abstaining).

Pettit moved in Article IV, Sec. 6, (1): to delete the words "Montana State University seven quarters" and amended to read, "president and vice-president must have attended the equivalent of seven quarters at Montana State University, five of these at Montana State University and must have at least 90 quarter credit hours at the time of election," and also in Article IV, Sec. 6, (2) delete the words "Montana State University five quarters" and amended to read, "business manager and secretary must have attended the equivalent of five quarters at Montana State University, three of these at Montana State University and must have at least 60 quarter credit hours at the time of election." Steinbrenner seconded.

Fox felt that the secretary and business manager should attend Montana State University longer than 3 quarters prior to their election to office. Steinbrenner brought out the point that overloading the ballot might lessen the chance of 40% of the students voting for the proposed constitutional changes. Fox moved the question. Passed 7-3 (Fox, MaFarlane, Riddle against, Steinbrenner abstaining).

Cook moved the following be added to Article V, Central Board, as Section 4: "Qualifications. Candidates for Central Board must have maintained a 2.0 grade index prior to their election." Wacker seconded. Passed 11-0.

It was suggested that these proposed amendments be presented on both the primary and final ballots to insure passage.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Roxie Perrior
Secretary, ASMSU
