The meeting was called to order by President Jystad. The minutes were read and corrected to add the following to the ASMSU Planning recommendation:

b. In the fall elections following, members of the new freshman class will elect two delegates. The delegate receiving the highest vote will serve a two year term, and the other delegate will serve a one year term. With this correction, the minutes were approved.

PUBLICITY-TRAVEL
Lambros reported that the Booster Night on March 3, for Butte is going well. He showed the group a copy of the letter concerning this night which is being given to the Butte people. Lambros also reported that Publicity Travel has allotted $100 to the rifle team for a portion of their expenses for their trip to meets. Lambros said that the group felt this team would provide good publicity for the University. He explained that if there is an excess in the amount of money which the team receives and does not use, the first amount of excess to $100 would be returned to the Publicity Travel funds. (Publicity-Travel will receive a refund to $100 in case of a deduction in the rifle team budget for the trips.)

COLLEGE AND CAREER DAYS
Lambros reported that Publicity-Travel committee has allotted $150 for the expenses of University students while participating in the college and career days throughout the state. Middleton explained that the expenses might be cut through the contact of former MSU students in regard to the providing of accommodations for the traveling students. These high school visitations will be from March 5 to April 1. Two students will participate in each trip, accompanying other University officials. Middleton said there was a possibility of taking more students. The students chosen to make these trips are sophomores and juniors.

LEADERSHIP CONVENTION
Lambros reported that Publicity Travel has requested up to $150 for paying the expenses of the High School Leadership Convention. This amount will be used for the program, and other incidentals. The dates for the convention are April 6 and 7. Lambros then explained the details for the discussions chosen which will be held at the camp.

LIQUOR CONTROL COMMITTEE
Bobbie Atkinson, chairman of the Liquor Control Committee, reported that her committee has decided upon the aims which are to be accomplished by this interim committee. They are to define the terms used in the rules drawn up by the student-faculty-administration committee, and to define the purpose of the judicial board. Atkinson said that the purpose of the Board, the group felt, was to keep informed of the campus problems, and work out, if possible, solutions; and to be mutually responsible with the individual living groups, for the social conduct in regard to liquor control in particular.

Atkinson said that it was felt that the name "Judicial Board" was felt to be a misnomer in that it carried the inaccurate connotation of a court rather than a standards council. Atkinson suggested that the name be changed to "Standards Council". Jystad suggested it should be more forceful than this name indicated, and suggested Judicial Council. Lambros suggested "Student Judicial Council", and this suggestion was accepted.
Atkinson explained the workings of the system as follows: each living group would be responsible for the punishment and guidance of its individual members. The living groups would be coordinated through meetings at which standard procedure would be formulated and discussed. Cases would come to the student judicial council as appeals from individual students, or for the justification of action taken by a living group in regard to some case on which that living group acted.

Bayley suggested that the living groups would be unwilling to inflict punishment upon its own members. Jystad suggested that there is no need for the minor cases to come before the council, but that the individual groups could handle these cases most effectively.

Atkinson said that one of the first things that the council must do is to determine the extent to which the living groups and organizations will cooperate with the council.

**PUBLICATIONS BOARD**

Rick Lee, chairman of Publications Board, reported that the Kainin is now being issued at the 11-12 hour. He reported that the Sentinel is behind schedule due to a delay in the completion of the individual pictures. He said that in the future, the board has recommended that a penalty clause be inserted into the contracts signed by the Sentinel to prevent delays. The Publications Board recommends the appointment of John Bansch as editor of the Kainin, and Lee DeVore as Business Manager of the Kainin for the next year. Leuthold moved that the Publications Board recommendation for the editor and business manager be accepted. Fowler seconded. Passed 8-0. (Bayley abst.) In the discussion of this motion, the apathy of the students qualified for the position was brought out. Beatty suggested that Publications Board talk individually with the students, encouraging them to apply for the positions.

**BUDGET AND FINANCE**

Crippen moved that Central Board approve the Budget and Finance recommendation that $300 be allotted to the ROTC rifle team. Leuthold seconded. Passed 9-0. Crippen has talked to the administration, and if most of the money is raised for the team, the remainder might be contributed by the administration. Crippen reported that he is scared to make his report. After being reassured, he continued. Crippen reported that an airplane might be found to transport the rifle team to their meets. Jystad said that Athletic Board felt that this was not part of the athletic program. The Athletic Board felt that this was a sport which could be enjoyed by those who participated only, and was not a spectator sport as are the sports which are a part of the athletic program. Lambros suggested that the team write to the Skyline Conference and suggest the incorporation of the rifle competition in the events.

Crippen reported that the Budget calls are sent out to the various committees, and they are due on April 7. (These are used in the formulation of the new budget).

Crippen reported that the letter in the Kainin on Friday, February 18, is from the entire Budget and Finance Committee, and not from him individually.

**ACTIVITIES BOARD**

Erickson recommended that the name of the new bowling and game center be Hellgate Center. She moved this recommendation of Activities Board be accepted. Crippen seconded. Passed 7-0. (Lambros abst.)
Erickson recommended that Bill Williamson be made chairman of the Hobbies and Crafts Committee of Activities Board. She further recommended that Tom Kistle be appointed chairman of the Dance Committee. Jystad recommended these be accepted. Crawford moved their acceptance. Crippen seconded. Passed 8-0.

Erickson reported her committee is looking into the installation of blackboards into the committee rooms.

**ELECTION OF JUDICIAL BOARD CHAIRMAN**

Crawford suggested that the election of the chairman of judicial board be delayed until the beginning of next quarter, due to lack of publicity of the position. Atkinson strongly recommended against the waiting until next quarter for the election, in that several weeks' delay would be caused by the elections. If this were done, the board would not begin its work until late into the quarter. Beatty suggested that the central board members visit the various living groups - telling of the positions, and encouraging students to file petitions to run for the position. Leuthold pointed out that if this method were followed, the Missoula and off-campus, and dormitory groups would be missed. Lambros thought that the most effective method would be to have some member of each group responsible for the publicity in that group. Beatty thought that the people who have not worked on this problem do not have the necessary background for the necessary publicity. Jystad suggested that the Presidents of the groups be contacted. This will be further discussed at the next meeting.

**NEXT MEETING**

Jystad called a meeting of Central Board for Saturday, February 19, at one o'clock.

With the completion of this business, the meeting was adjourned.

Respectfully submitted,

Ann Crocker
Secretary, ASMSU

Crippen, Atkinson, Forzley, Bayley, Middleton, Lee, Leuthold, Lambros, Riddle, Fowler, Crawford, Hellinger, McPherson, Erickson, Jystad, McPherson, Crocker, Gerson, Beatty
