Special Central Board Meeting
Feb. 15, 1955

A special meeting was called to order in the Silver Bow room by Pres. Don Chaney.

SPRING VACATION
Chaney said that we have to approve the President's plan on a two-year trial basis so it can go to faculty, so the University calendar and catalog can be made up, and because of accreditation.

He said next year it would be possible to have a full week's vacation with two week ends. That would mean exams would end Friday, and students would not return until a week from the following Monday.

Briggs said he considered it a reasonable proposal. DeForth asked how the extra days will be achieved. Briggs said they can't lengthen the school in the spring because of summer school, and under the quarter system, starting earlier in the fall is not feasible.

Nicholson moved that we approve a two-year trial period for spring vacation with the understanding that spring quarter will not be extended. It was seconded by Lambros and passed unanimously.

AWS ROOM
Gaughan asked about the AWS room, and Chaney said that in the minutes there appeared to be a general feeling that it would probably be a good idea to have such a room. He said that a memorandum from the President will take care of that matter.

There being no further business, the meeting was then adjourned.

Respectfully submitted,

Shirley DeForth
ASMSU Secretary

Present: Chaney, DeForth, Abbott, Bachman, Hellinger, O'Hare, Leuthold, Gaughan, Lambros, Nicholson, and Briggs.
