Special Central Board Meeting  
Feb. 21, 1955

The special meeting was called to order by Pres. Don Chaney in the Ravalli Room.

PUBLICATIONS BOARD

The recommendations of Publications Board that Kaimin Forman be 1955-56 Editor of the Kaimin and Virginia MCB ride be 1955-56 Business Manager of the Kaimin was approved unanimously. The recommendation was submitted by Pub Board chairman Ray Moholt.

Moholt also reported that Venture had asked to see magazines to the PO News. It was suggested that he get all the information and present a recommendation to Central Board.

STUDENT UNION MANAGEMENT

A question was raised about Cyrile Van Duser's position as stated in the Kaimin. Chaney pointed out that Miss Van Duser is now a faculty member whose only duty is director of the student employment office, and that we are still looking for a co-ordinate of student affairs.

MEETING WITH PRESIDENT

Chaney then asked for subjects of discussion for Thursday's meeting with the President. Exams were brought up. Central Board members objected to beginning them Friday, saying that was not in the agreement which had stated that exams would begin Saturday. Briggs said he didn't think we had a case at all, and that the beginning of exams was not a moving part of the consideration. It was decided that we should ask the President for clarification.

The honor system was also suggested as a subject. Other subjects included the AWS lounge, the old student union, the auditoria, book store, and recreation facilities.

There being no further business, the meeting was adjourned.

Respectfully submitted,

ASMSU Secretary
