Central Board Minutes
January 6, 1954

The meeting was called to order by Norm Anderson. The minutes were read and corrected to read on page one in the tenth paragraph, maximum not minimum.

Ryan reported that the Butte Chamber of Commerce bought the Copper Bowl, It is a traveling trophy that was first presented between the 1946 and 1947 Grizzley - Bobcat games. It is now in General Milburn's office.

Ryan reported that Traditions Board is planning a card section at the basketball games in the Field House. He said we will have a student section of 26 rows in the middle of the north side. He said they'll make their own cards. Cards will be 11" x 14" Two colors will be purchased and one side of each card will be painted. Ryan said he will start with 200 cards. He estimated a cost of between $100 and $200.

Ryan announced that there will be a convo in the Field House on Friday, January 15. First, there will be a pep assembly, then Breen will speak and answer questions, and then the students may go on guided tours of the building.

Eyer reported that the film "Dark Victory" will be shown Thursday, January 7, at 7:30 in the Student Union auditorium. It will cost 25¢. He said Outside Entertainment has had three films this year and has made money. "Jane Eyre" will be shown next week.

Newlin introduced Ed Stenson who is the new Kaimen reporter for Central Board.

Anderson recommended that George Lambros be the WUS Drive chairman. Baldwin so moved, it was seconded and passed.

The Field House was discussed.

Anderson reported that we may get Vaughan Monroe on a national hookup on Monday, February 22. Monroe asked for $2500 and Anderson offered him $1800. However, the Grizzlies have a basketball game with New Mexico here the same night. Anderson said we could try to get him on February 23 or some other date. Newlin said we should back the Grizzlies. The board voted 7 to 1 to avoid a conflict between the dance and the game.

Anderson reported that an open house party will be held at the Student Union Gold room on Friday night, January 8, beginning at 8:30. Ping pong, chess, and bridge tournaments will be held.

Anderson reported that Breen may bring the Texas Cowgirls, a women's basketball team, as a special Field House event. Breen would like two teams to play the Cowgirls. One team of Intramural All-Stars and a second team of Central Board members and campus executives. Anderson appointed Newlin to be in charge of the campus teams.

Anderson reported that the costs of costumes and sets for the All School Show still haven't been cut. Anderson said we could lend them a specific amount of money. In this case they would be responsible for any money they spent over the budget. As money from ticket sales comes in it will go toward paying off the loan. If there were a profit, it would go into and All School Show Fund.

Anderson appointed Abbott chairman of the polio drive. He suggested it be handled by the Bear Paws and that they collect money at two basketball games.
Hudson announced that the foreign students on campus will be invited to attend a Central board meeting during the winter quarter.

Gaughan reported that the Constitutional Revisions Committee is simplifying and reclassifying the ASMSU Constitution. He suggested that the entire constitution be printed on a ballot and the voter given the choice of yes or no for all of it when it comes to a student vote. Hoiness said that one article could keep the constitution from being passed.

Anderson suggested that ASMSU committees be in by-laws rather than articles in the new constitution so they can be changed without a student vote. Anderson suggested that Gaughan go over the constitution with Briggs to see if it's legally correct before he brings it before the board.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Phyllis Kind
ASMSU Secretary

Present: Burnell, Lambros, Abbott, Eyer, Anderson, Newlin, Gaughan, DeForth, Ryan, Stenson, Hudson, Foster, Baldwin, Briggs, Hoiness, VanMeter, Jones, Kind
