Central Board Minutes
February 10, 1954

The meeting was called to order by Norm Anderson. The minutes were read and approved.

Eyer announced that there will be a Community Concert Thursday, Feb. 11. The next film will be a "Letter to Three Wives."

Eyer presented the following preliminary report from the student committee on Social Standards. He said that the ultimate goal to work for is to have a campus honor system. A suggested intermediate plan was to have a student honor council composed of about six members to review social standards cases. Eyer asked for suggestions.

Eyer reported that the Bitterroot Room was filled for the first hour of the Chuck Swisher program. Anderson suggested that the next combo play in the Coke Store rather than upstairs.

Lambros reported that the WUS committee has begun work. He announced that Mr. Kroecker and Miss Rowe will be advisors.

Briggs suggested that a committee be appointed to pick the By-laws out of the minutes and compile a Book of By-Laws. Gaughan said some of the members of Constitutional Revisions Committee could be moved to a By-Law Committee.

Gaughan reported that the constitution states that no student not an active member of ASWSU for at least ½ his time in college shall hold any elected or appointed office. He said that because of this statement we may miss some good people who are transfer students. Briggs said that it means the people who haven't paid their registration fee. Hoiness said that anyone who has an activity card is allowed to vote and should also be allowed to hold office. The board voted for the change in principle.

Gaughan reported that there's nothing in the present constitution about by-laws. The committee suggested that a two-thirds vote of Central Board be necessary to pass a by-law and that a by-law be brought before the board one week before it's voted on. Hoiness said that would hamper the administration. Briggs said that usually only a majority vote is required to pass a by-law. Newlin said that a by-law change is always thoroughly discussed at the meeting and that a week's notice isn't necessary.

Gaughan reported that there are two articles on election petitions in the constitution. He said 20 signatures are required for freshman petitions and only 10 for upperclass petitions. He suggested consolidating the two. Briggs said the articles were written that way originally because the freshman class is bigger than any other and so the freshmen will get acquainted.

Briggs suggested that the election rules be summarized and circulated so everyone will know the rules. Gaughan suggested that just the parts of the constitution that would be of interest to the student be printed in the M Book.

Baldwin asked permission to have the Red Cross Fund Drive begin March 1. Eyer so moved, it was seconded and passed. Baldwin announced that the Blood Drive will be March 9 & 10.

Hoiness moved that the Budget and Finance recommendation that $75 be transferred from the General Operating Fund to Traditions Board for the purchase of masonite cards for the card section be accepted. It was seconded and passed. Hoiness explained that the Fuller Paint Co. is donating paint and that the Field House will cut the cards so Traditions Board is setting up the section.
at very little expense.

Hoiness announced that Budget and Finance has received the proposed budget on the All School Show. There will be a meeting of the committee Thursday, Feb. 11 to review it.

Ryan reported that Traditions Board will have the cards ready for a card section at the game Friday, Feb. 12. They want a section of 250. He said someone dressed in a Grizzley Bear costume will act as mascot.

There being no further business, the meeting was adjourned.

Respectfully submitted,
