Central Board Minutes
February 20, 1952

The meeting was called to order by Bill Reynolds. The minutes of the previous meeting were read and approved as corrected.

Schlieman reported that the All School Show is progressing fine. The tickets will be $.75, $1.00 and $1.50. Track Meet night, however, it will be $1.00 for adults and $.50 for students. That night there will be no reserved seats. Budget and Finance recommended that we buy a new typewriter for the ASMSU office. Schlieman moved that we purchase a typewriter for not over $75. Persons seconded. Motion carried.

It was announced through publications board that applications are due for business manager and editor of the Kaiman by Saturday Feb. 23.

Thorsrud said that the committee is already planning for the Duke Ellington publicity. The policy of free tickets was discussed. Thorsrud moved that those students that are selling tickets on an individual basis will receive one free ticket for every block of 25 sold at the discretion of the social chairman. Newlin seconded. Motion carried.

Reynolds said that since Andy Cogswell is out of town the arrangements for the band trip are not definite yet. If possible it would be nice to send the whole symphonic band.

Stewart requested on behalf of the Student Christian Association that Central Board co-sponsor a convno on student summer camps. It would probably be spring quarter and they may need some financial support on their movie. The matter will be referred to convno committee before Central Board votes on it.

Bohut asked that the Student Religious Council be given permission to solicit money from the 26 living groups on campus for support for Religious Emphasis week. They had already collected from three sororities and one dorm before submitting the matter to Central Board as they were unaware of the regulations concerning campus solicitations. They are requesting $5.00 from each group and this would give the groups a choice in the speakers invited. Jones moved that we allow SRC to solicit from the living groups for Religious Emphasis week. Schlieman seconded. Motion carried.

Reynolds said that the student rates at the Fox and Wilma theaters has been raised. He is going to investigate the matter and make a report at our next meeting.

Central Board members are invited to the ground-breaking ceremony for the new music school, Thursday, Feb. 21 at 3 p.m.

There being no further business, the meeting was adjourned.

Respectfully submitted,

Donna Persons
