CENTRAL BOARD MINUTES
February 7, 1950

The meeting was called to order by John Helding. The minutes of the previous meeting were read and approved.

Freeman announced that Budget and Finance Committee approved the expenditure of $202.60 of the 1950 Sentinel Photography Budget to supplement $294.90 in the Reserve for Sentinel Equipment for the purchase of a 4 X 5 Speed Graphic camera and a Strobe light. Total expenditure for the camera and light with all accessories is $497.50.

Freeman also announced that Budget and Finance Committee met with Mr. Ansel Ressler, advisor of the Radio Guild, and Frank Rutherford, president of Radio Guild, to discuss the possibility of an appropriation for the Radio Guild from this year's budget ($200). They will probably ask to be included in the budget next year. The committee was unable to arrive at a decision as to the validity of any expenditure of Associated Students' funds for this group, and brought the matter to Central Board for further discussion and decision.

A faculty Radio Committee is now making plans to coordinate all radio groups on campus and set up a studio in Main Hall. Central Board decided to take no action at the present time while there are three separate radio groups on campus (English department, Journalism school and Radio Guild), but that when all radio groups are brought under one jurisdiction with a coordinated program it would be worthy of support.

Margot Luebben asked permission for the Miss Montana Committee to solicit advertising for programs for the Variety Show March 1st and the Pageant April 1st. Solicitation for the latter will be state-wide. Wohlgenant moved that Central Board authorize the Miss Montana Committee to solicit advertising for the programs for the Miss Montana Variety Show March 1st and the Pageant April 1st. Hennessy seconded the motion. Carried.

The meeting was then adjourned.
