CENTRAL BOARD MINUTES
May 11, 1950

The special meeting was called to order by John Holding. The minutes of the previous meeting were read and approved.

Holding announced that the new Central Board members will be installed next Tuesday at 4:00.

Freeman, Chairman of Budget and Finance Committee, presented possible alternatives for the 1950-51 ASMSU budget in accord with the motion of May 9, 1950. The alternative budgets are hereby made a part of the secretary's minutes. Freeman said Budget and Finance unanimously recommended Budget A which differs from the original budget presented on May 2 in the following ways:

- Debate and Oratory increased from 2.1 to 2.4
- Mens' Intramurals decreased from 2.0 to 1.7
- Reserve for Capital Expenditures decreased from 2.2 to 1.9
- Accounting Office increased from 4.3 to 4.6

After some discussion Halvorson moved that Central Board approve Budget A as the ASMSU budget for 1950-51. Bergh seconded the motion. Carried.

Baldwin of the Debate and Oratory Assn. then asked permission for that group to solicit funds throughout the state to secure additional money for their program. Wunderlich said campaigns for solicitation off campus should be coordinated through Andy Cogswell, Public Relations director.

Holding appointed a committee of himself, Baldwin, Lucas, Perry and Bob Anderson to talk with Andy Cogswell about the requested permission for solicitation and report back to Central Board next week.

A committee composed of Holding, Hubbard, Hertler, Bob Anderson and Jerry Baldwin will also see President McCain about the possibility of some University aid for mens' intramurals and Debate and Oratory. (See minutes of May 9, 1950.)

Freeman read the recommendation of Budget and Finance of May 2nd that the editor of the Montana Kaimin receive $50. per month for an eight month period, beginning the first of October, and the business manager of the Kaimin receive $30. per month for a nine month period, beginning the fifteenth of September and ending the fifteenth of June. Associate editors are to receive $10. each per month beginning the first of October for a period not to exceed eight months.

Freeman emphasized that the Kaimin can operate soundly regardless of salary rates, but Budget and Finance is recommending the cuts as a matter of policy. Graff said an arbitrary reduction unrelated to the financial condition of the Kaimin would perhaps eliminate good potential editors who have to work to go to school because neither the editor nor the business manager can hold any other job.

Mr. Dugan said he has opposed the raise to $70. originally but that the Kaimin has continued to operate successfully and he would like to maintain the salaries as long as it is reasonable financially so that the number and quality of applicants would not be lowered.

Fox moved that the above recommendation be approved. There was no second.

Freeman moved that the present Kaimin salaries be maintained for the year 1950-51. Halvorson seconded the motion. Carried. (Fox dissenting.)
Freeman presented the second recommendation of Budget and Finance of May 2nd that the editor of the Sentinel receive $50. per month for an eight month period, beginning the first of October, and the business manager of the Sentinel is to receive $30. per month for the same period. The three associate editors of the Sentinel are to receive $10. for six months; and the photography editor shall receive $35. for eight months.

Freeman added that this salary situation would have more effect on the budget than was the case in the Kaiman salaries; that the recommendation would cut $240. off Sentinel salaries which could be used elsewhere in the Sentinel budget.

Freeman said Bob O'Neil, co-editor of the 1950-51 Sentinel, had proposed that the editor get $50., the business manager $30., and that an ad manager be given $10. per month plus some percentage of sales not to exceed $170. all together. This plan would result in approximately the same amount being spent for salaries as is at present; the discussion revealed that the co-editors of this year's Sentinel and the editor of last year's Sentinel felt that this plan would spread the work better, and result in more efficiency and increased income for the Sentinel.

Bergh moved that the recommendation of Budget and Finance regarding Sentinel salaries be rejected. Hennessy seconded the motion. Carried.

O'Neil's recommendation was favorable to Central Board so it will be referred to Budget and Finance to work out the details and send a recommendation back to Central Board.

Freeman presented the recommendation from Athletic Board that $1. be approved for a reserve seat to the MSC-MSU football games in Butte. Discussion followed. It was mentioned that the price will apply only to those students who go to Butte and that all seats will be reserved.

Wohlgenant moved that the above recommendation of Athletic Board be accepted. Halvorson seconded the motion. Carried. (Fox and Lambros dissenting.)

Freeman presented the recommendation from Athletic Board that $10,750. be budgeted to cover 50 grants-in-aid and 10 athletic department jobs in the 1950-51 athletic budget. Previously there was no ceiling on grants-in-aid and job promises, and Central Board's moral responsibility was unlimited. Discussion followed. Since all members of Central Board were not acquainted with the athletic program and the proposed budget, Freeman withdrew the recommendation for the present and the discussion will continue next Tuesday at a joint meeting of Athletic Board and Central Board.

Fox moved that Central Board give the secretary $10. to pay for clerical expenses during the year. Hennessy seconded the motion. Carried.

The meeting was then adjourned.
