CENTRAL BOARD MINUTES
January 23, 1946

The meeting was called to order by the president, and the minutes of the January 22 meeting were read and approved.

Upon the recommendation of the Publications Committee, Morrow moved "that Central Board authorize awards for outstanding and faithful work on recognized student publications each year, and that the Board authorize Publications Committee to establish a system of making such awards, subject to the approval of Central Board." Floyd seconded, and the motion passed.

Brome reported that Charlie Barnet and Ray Herbeck and their orchestras would be able to come to Missoula on February 27 and February 19 for $1250 and $800, respectively. As the winter quarter social calendar is very crowded, and the possibilities of another orchestra coming during spring quarter are good, Central Board decided not to engage these orchestras for this quarter.

Following a lengthy discussion on the Mountaineer, Kern moved that the 800 copies of the Winter quarter issue of the Mountaineer be distributed by the check-off system from a list of students with activity cards in the Student Union store and that the question of whether or not to include the Mountaineer on the ASMSU budget be brought before the student body in the spring elections. Morrow seconded, and the motion passed.

There will be a special meeting of Central Board, January 24 in the Eloise Knowles Room at 5:00 o'clock.

Meeting adjourned.

Margaret Garrison
Secretary

* Baxter Hathaway and John Moore, faculty advisors to the Mountaineer, were present at this meeting.
