The meeting was called to order by the president, and the minutes of the February 20 and February 21 meetings were read and approved.

Kern moved that Central Board approve the tentative budget submitted by John Lester for the operetta to be given Spring Quarter, plus an additional $200 for sets and scenery, making an estimated total of $200. Brome seconded, and the motion passed.

Morrow moved that Central Board, upon the recommendation of the Budget and Finance Committee, authorize payment up to $350 for board and room expenses for approximately twenty students going on an Extension Division music tour about March 25. Floyd seconded, and the motion passed.

Regarding the proposal of A. J. Mosby to buy a tract of land on the student golf course at $50 an acre, which was referred to Central Board by Tom Swearingen, Davis moved that Central Board approve the recommendation of the committee composed of Kern, Blair, Morrow, and McCollum, which was appointed to investigate the advisability of selling this land to Mosby, to the effect that ASMSU will not at this time sell this land on the student golf course tract for the following reasons: (1) We would be taking a loss by selling the land at $50 an acre; and (2) The sale of the land would impair the plans for the student golf course. Murphey seconded, and the motion passed.

Oster moved that Central Board go on record as disapproving the defacing of University buildings, sidewalks, and trees by paint, signs, etc. for any cause whatsoever. Davis seconded, and the motion passed.

Meeting adjourned.
