President Cuthbert called the meeting to order and the minutes of the January 18th meeting were read and approved.

Mrs. H. W. Stoutenberg, a member of the Missoula Infantile Paralysis Committee, reviewed the history of that group and explained its present function. She stated that although it is not a member of the National Foundation, the local committee has contributed ten per cent of the proceeds from the annual President's Birthday Balls to the National association for research. The remainder of their income from Birthday Balls and shows is used for assisting local victims of infantile paralysis. Mrs. Stoutenberg said that the local group would greatly appreciate a share of the funds collected by the Associated Students for the Infantile Paralysis Drive.

Action on this was again postponed, as the meeting was adjourned for the taking of Sentinel pictures.
