May 17, 1938

The meeting was called to order by Mel Singleton, who presided until the arrival of June Paulson, Vice-president, and Peter Murphy, president. The minutes of the previous meeting were read and approved.

Chambers reported that nearly 500 tickets to Interscholastic were sold to University students, although the final check-up has not yet been completed. Paulson reported that the exact amount is not yet available, but that she thinks about $150 was the profit from the Track Meet Dance sponsored by ASMSU on May 14.

Because Adams and Brown were unable to attend this meeting to explain the proposed consolidation of minor and major sports, no action was taken on this matter.

Chambers reported that Jack Hagens had spoken to him about a bonus for the trio which sang at the Track Meet Dance sponsored by ASMSU, but Central Board did not feel justified in approving such a bonus, especially because Paulson had told Hagens in advance that the trio would not be paid and because paying them seemed unwise in the light of the union policy approved by Central Board.

Chambers moved that $10 from the general fund be used for paying stenographic costs for the year, the money to be turned over to the secretary of ASMSU. Paulson seconded. Motion carried.

There will be a joint meeting of the new and old Central Boards at 4:00 p.m., May 19, and a dinner will follow.
