March 26, 1935

The regular meeting of Central Board was called to order by the President, Kenneth Duff.

Dick Ormsbee gave a report on Outside Entertainment. It was discussed that since the Outside Entertainment Committee was appointed for one year only it could not be determined as yet what we could offer for next year's program. It was suggested that Central Board find out what action the Down Town Entertainment Committee would take for next year. It is also anticipated that more students will attend these entertainments since they will be held in the new Student Union Building.

Dick Ormsbee was given the authority of Central Board to attend the meeting of the Community Concert Association in order that satisfactory arrangements may be made at that time for next year's program. Any resulting plans will of course be approved by Central Board.

Kenneth Duff suggested that during Track Meet a contest be held for a Track Meet Queen which would create interest among the high schools of the state.

Kenneth Duff also presented plans for a dance which could be held in honor of the selected "Queen" and her attendants. It was also suggested that a cup be given to the Queen and that other prizes would be offered by Morris McCollum.

Lee Metcalfe and Tevis Hoblitt were appointed for making arrangements for the Track Meet "Queen" Contest.

Central Board took necessary steps to approve of the prize which is to be awarded to the Queen.

Kenneth Duff announced that there would be an S.O.S. one week from Thursday in order to secure the Student Body's opinion on Aber Day. If the attendance is large, Aber Day will be held.

There being no other business, the meeting adjourned.
