Regular meeting of Central Board called to order by Meloy. Previous minutes not read.

Thiel, director of the Band, appeared before the Board, and presented a petition. This petition will be brought up at the next meeting.

A letter from the Masquers was read. They are $75 in arrears and ask that amount be loaned them from the general A.S.U.M. fund until next fall. Kirk Badgley stated the amount would be available from the general fund.

The motion was made and carried that the Masquers be loaned $75 @ 4% for 1 year.

Dick Fox appeared before the Board asking that different arrangements be made in regard to the baseball field. The $55 backstops now being erected are not practical, and are insufficient for real baseball playing. Open discussion was held. It was moved and carried that Fox should direct minor sports director to suspend building of backstops. The following: Fox, chairman, Kennedy and McCallum will assist Adams and consider recommendation of above. There will be a Minor Sports Board Meeting Wednesday at 1:30.

No further business, meeting adjourned.
