WE ARE A SYSTEM OF GHOSTS IV

On the bus, I read about Japan's suicide forest.
Aokigahara, near the base of Mount Fuji.

People say it's the best place to die.
They tie rope along trunks, a trail for whomever

comes after. The bodies get cleared out once a year
by volunteers and officials. Park ranger Azusa Hayano

has talked hundreds of people out of their plans.
He's rescued so many half-dying already.

Hayano puts a hand on their shoulder.
He asks them to speak as they sit near the trees.
