This Syllabus is brought to you for free and open access by the Course Syllabi at ScholarWorks at University of Montana. It has been accepted for inclusion in Syllabi by an authorized administrator of ScholarWorks at University of Montana. For more information, please contact scholarworks@mail.lib.umt.edu.
Course Description
Anthropology is a discipline that investigates the origin and nature of the human species. Anthropologists use a holistic approach to understand and compare humans in all aspects, places, and times. In this course, we will look at the four major fields of anthropological inquiry which includes physical/biological anthropology, archaeology, linguistic anthropology and cultural anthropology/ethnology. Throughout the course, we will also discuss the issue of ethics in anthropology and the notion of applied anthropology.

Required Texts
A web-based supplement for this class is available on Moodle: http://umonline.umt.edu

Course Requirements
1st Midterm 100 points
2nd Midterm 100 points
Final Exam 200 points
Essay 45 points
Essay Question 5 points
Total Possible Points 450 points

Attendance:
Attendance and participation in classroom activities and discussion are a required part of this course.

Exams:
Exams will consist of objective, multiple choice questions and will cover material from lectures, readings, and videos. The final exam is comprehensive.

Essay:
Write a 500 word essay based on your reading of one of the specified articles (please refer to Moodle). In the essay, you should provide a clear statement describing your stance on the anthropological issue covered in the article and then provide justification for your particular perspective. Please spell and grammar check your document before submitting online by Monday, April 27th. As part of this assignment, you will also be required to post one analytical question on Moodle about your chosen article. DUE DATE: Friday, April 24th

Academic Honesty and Student Conduct
All students are expected to perform in accordance with the Student Conduct Code. The code is available at http://life.umt.edu/vpsa/student_conduct.php.

Students with disabilities may request reasonable modifications by contacting me. The University of Montana assures equal access to instruction through collaboration between students with disabilities, instructors, and Disability Services for Students (DSS). “Reasonable” means the University permits no fundamental alterations of academic standards or retroactive modifications.
