COURSE DESCRIPTION
This course introduces students to key theories and practical applications relating to intercultural communication. We will investigate the influence of our own culture on view of self and others. In addition, the following topics will be explored: international conflict, social networking, migrancy, and the effect of technology and mass media in the globalization of communication.

STUDENT PERFORMANCE OUTCOMES:
Upon completion of this course, the student will be able to:

1. Explain the role of history and identity in intercultural communication and the influence these have on our communication interactions with others.
2. Identify intercultural communication barriers that lead to interpersonal conflict.
3. Critically evaluate your own intercultural competence.
4. Understand how verbal and nonverbal communication is shaped by culture.

GRADING:
Exams (3) – 45% of grade
Inquiries – 35% of grade
Final Paper – 20% of grade

GRADING SCALE: 100-90 (A), 89-80 (B), 79-70 (C), 69-60 (D), 59 and Below (F)

Exams
There will be three exams given over the course of the semester. They will consist of True/False, Multiple Choice, and Essay Questions. You will need to purchase three 8½ by 11 inch, blue Scantron sheets to take these exams.

Inquiries
Students will be asked to complete three typed reflections during the course of the semester. These assignments will be announced in class. They will pertain to your own cultural identity, our course
readings, or out of class intercultural activities. They will require you to integrate the theories learned in the course into your personal positions or reflections.

Final Paper
The goal of the final paper is to help you critically evaluate your own culture while contemplating the concepts we have studied over the course of the semester. This final, reflective paper will require you to integrate outside research as well as course material into your writing.

ATTENDANCE POLICY:
It is my belief that what you gain from a course is dependent on what you put into it. Attendance will determine a student’s level of success. If you miss a class, you will miss a learning opportunity. Students with fewer than two absences during the semester will see their final grade increased by 5%. Students with more than three absences may lose their privilege for a makeup should an emergency arise.

*Students who sleep, leave early/come late, or work on other assignments during class may not be counted as present.

Test makeup policy:
I believe the classroom setting should be treated like any other professional setting. Employers and coworkers tend to be forgiving of a person's absence for an important meeting or engagement if that person has proven to be dependable in the past. My policy follows this principle.

If the following conditions are met, you may be given an opportunity to make up a test:
1. You must be in good standing in the class. This means fewer than four absences, no late assignments and passing grades on all completed assignments.

2. You must notify me prior to missing the test that you will be unable to attend that class period, and provide an explanation for your absence. Personal illness, family emergencies and unexpected events are acceptable reasons for rescheduling a test. You may be asked for documentation of verification of your excuse.

3. Within 24 hours of missing the test, you must schedule an appointment with me to make up your test.

ASSIGNMENTS TURNED IN A CLASS DAY LATE WILL BE GRADED OUT OF HALF CREDIT. BEYOND THIS DATE, ASSIGNMENTS WILL NOT BE ACCEPTED. IF YOU MUST MISS A CLASS PERIOD WHEN AN ASSIGNMENT IS DUE, PLEASE USE YOUR UNIVERSITY EMAIL ACCOUNT TO EMAIL ME YOUR ASSIGNMENT BY MIDNIGHT ON THE DAY THAT IT IS DUE.

*USE MY MAILBOX AT YOUR OWN RISK. IT IS NOT MY RESPONSIBILITY TO MAKE SURE ASSIGNMENTS PLACE IN MY BOX GET TO ME.

STUDENT CONDUCT:
Please conduct yourself in a way that promotes learning for all students in the classroom (i.e. do not use language that might offend others, use laptops for note taking only, avoid disclosing too much personal information, turn off cell phones, absolutely no text messaging, and avoid monopolizing class discussion).

*COURSE POLICIES ARE APPLIED AT THE DISCRETION OF THE INSTRUCTOR.

ACADEMIC MISCONDUCT:
All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or disciplinary sanction by the University. All students need to be familiar with the Student Conduct Code. The Code is available for review online at http://www.umt.edu/SA/VPSA/index.cfm/page/1321.
DISABILITY STUDENT SERVICES:
Eligible students with disabilities will receive appropriate accommodations in this course when requested in a timely way. Please speak with me after class or in my office. Please be prepared to provide a letter from your DSS Coordinator.

For students planning to request testing accommodations, be sure to bring the DSS testing form to me in advance of the two-day deadline for scheduling in ASC.

DROP POLICY:
"Beginning the 46th day of the semester through the last regular class day (i.e. Friday) before Finals Week, "students may drop courses only by petition. Note that not all petitions are approved and documentation is required. Some examples of documented circumstances that may merit approval are accident or illness, family emergency, or other circumstances beyond the student’s control. Instructors and advisors have the right to indicate that they do not recommend the drop”- the UM’s Academic Policies and Procedures (see http://www.umt.edu/catalog/acad/acadpolicy/default-print.html ).
