MISSOULA--

Several guest speakers from throughout the state will participate in a mathematics workshop Saturday (Jan. 20) on the University of Montana campus.

The workshop is sponsored by the Montana Council of Teachers of Mathematics (MCTM). Registration will be from 9:30-10:15 a.m. Saturday in room 103 of the Liberal Arts Building on the UM campus. All meetings during the one-day workshop will be in that building.

Sessions planned for the day, and speakers who will participate, include:

10:15-11:45 a.m., room 11, general session. Presiding, Loy Robinson of Flathead High School; speaker, Dr. Adrien L. Hess of the mathematics department at Montana State University, Bozeman, MCTM president; topic, "Discovering Discovery."

1:15-2:15 p.m., room 103, secondary school section meeting. Presiding, Harold Hughes of Columbia Falls High School; speaker, Dr. Howard Reinhardt, UM mathematics professor; topic, "Four Theorems About Montana." Room 11, elementary school section meeting. Speaker, Lee Von Kuster, State Department of Public Instruction; topic, "Demonstration Class, 5th Grade."

2:30-3:30 p.m., room 103, secondary school section meeting. Presiding, Bayliss Cummings of Flathead High School; speaker, John A. Peterson, UM associate professor of mathematics; topic, "Computers in Secondary Education." Room 11, elementary school section meeting. Presiding, Jerry Chase of Kalispell Junior High School; speaker, Alden Beller, special education teacher at Flathead High School; topic, "Reading Difficulties as Related to Mathematics."
