**Student Conduct Code:**  [www.umt.edu/studentaffairs/policy/code.htm](http://www.umt.edu/studentaffairs/policy/code.htm)
Students are expected to practice academic honesty. Academic misconduct includes, but is not limited to, plagiarism, misconduct during quizzes or exams, unauthorized possession of course materials, and facilitating academic dishonesty.

**Grading:** Course grades will be assigned based upon the following items:

- Exam #1 on Chapters 1, 2, and 3  
  100 points
- Exam #2 on Chapters 5, 4, and 8  
  100 points
- Exam #3 on Chapters 9, 10, and 15  
  100 points
- Exam #4 on Chapters 16 and 17  
  100 points

**Total points possible**  
400 points

- 360 to 400 points = A
- 320 to 359 points = B
- 280 to 319 points = C
- 240 to 279 points = D
- Below 240 points = F

**Course policies on exams:** You are expected to take all exams at the date and time indicated in the syllabus. Material covered on exams will come from class lectures, class handouts, class review of homework, and the textbook. There are no surprises on exams—the material is from the book, homework, and class.

If you have an excused absence from an exam, you may take ONE makeup exam (for either Exams #1, 2, or 3) on Friday, May 9.

Students are expected to read the assigned material and to attempt the homework before class. Students should feel free to ask questions in class, but remember that there are many other students in the class. I may ask you to stop by my office hours if I do not have time to adequately answer your questions in class.

**Attendance is considered mandatory to the extent that material will be presented in class which is not found in the book. This material will be included on exams.**

Many of the homework assignments are reviewed in class. If you wait until class to try the homework, I WILL BE GOING TOO FAST FOR YOU TO WRITE EVERYTHING DOWN AND YOUR UNDERSTANDING OF THE MATERIAL WILL BE ADVERSELY AFFECTED. Assigned problems should be considered a minimum, and I strongly recommend working additional problems and exercises.

It is your responsibility to monitor your progress in the class and to attend office hours if you do not understand the material. **If you want to do well in BADM 202, you MUST attend class and you MUST do the homework before I review it in class.**
