FOREST PRODUCTS
SEMINAR MAY 31 AT U

MISSOULA---

A seminar on research and development of forest products will be presented Friday (May 31) by Dr. D.F. Root, research manager for the Weyerhaeuser Co.

The seminar, which is entitled "Current Research Interests in the Forest Products Industry," will be at 11 a.m. Friday in room 206 of the School of Forestry Building. The public is welcome to attend the seminar without charge.

Dr. Root received three degrees, including his doctorate, at the University of Wisconsin. For his doctoral thesis he worked on chemical utilization of forest products at the Forest Products Laboratory, U.S. Department of Agriculture, Madison, Wisc.
