EX-GRIZZLY CAGER GREG HANSON RECEIVES
NCAA POST GRADUATE SCHOLARSHIP

MISSOULA--

Word was received at the University of Montana last week that Gregory Lynn Hanson, a three-year basketball star at the Missoula school, has been awarded a $1,000 National Collegiate Athletic Association scholarship for postgraduate study at the university or professional school of his choice.

Hanson is one of 15 athlete-scholars from throughout the United States to receive one of the grants, and the only one from the six-school Big Sky Conference and the Northwest United States.

Hanson, who will use the scholarship to attend the University of Montana law school this fall, was perhaps the last to hear of the grant. When the news reached Missoula, he was in the middle of survival training at the Air Force ROTC Summer Camp at Fairchild Air Force Base, Wash.

Walter Byers, executive director of the NCAA, said in a letter to three University of Montana officials, "Considering the number of potential candidates across the country, this award stands as a significant honor for the young man and a tribute to the University of Montana."

Hanson graduated with high honors from the University of Montana last June with a B.S. degree in business administration. While attending law school during the next academic year, he will work part time in the office of UM Pres. Robert T. Pantzer.

"It's a tremendous honor for me to receive this grant," Hanson said. "I want to assure all of those responsible that I will make the best possible use of the grant."

Hanson is the son of Mr. and Mrs. E. Arnold Hanson of Missoula.
